MISSISSIPPI PROGRAMS OF NURSING
ANNUAL REPORT FOR NURSING PROGRAM ACCREDITATION 2005
COMPLIANCE WITH STANDARDS 38, 39

38. Minimal admission criteria for associate degree nursing programs are as follows:

    (a) Students must have an ACT composite score of 15 if taken before October 1989, or 18 if taken in October 1989, or after.

    (b) Students with less than the required ACT composite score must have completed a minimum of 12 semester hours with a 2.0 quality point average before being admitted. They must have made at least a grade of "C" on Anatomy and Physiology courses, which are included in the above 12 semester hours.

    (c) Students who have previously earned a baccalaureate or higher degree may enter without an ACT by completing all the course prerequisites to the nursing major with at least a "C" and having an overall 2.0 quality point average.

39. Minimal admission criteria for state-supported bachelor of science nursing programs are as follows:

    (a) Students must have an ACT composite score of 18 if taken before October 1989, or 21 if taken in October 1989, or after. Students with the required ACT composite score must also have at least a "C" in each prerequisite course and a 2.0 quality point average.

    (b) Students with less than the required ACT composite score must complete all the course prerequisites to the nursing major with at least a "C" and have an overall 2.5 quality point average.

    (c) R.N. students and students enrolling for a second baccalaureate degree may enter without an ACT by completing all the course prerequisites to the nursing major with at least a "C" and having an overall 2.5 quality point average.

    (d) Admission criterion for private bachelor of science nursing programs is as follows:

        (1) Baccalaureate nursing programs in independent institutions may establish admission criteria which support the goals and aims of individual independent institutions.
