

# EMERGENCY PREPAREDNESS WORKSHOP 2024

This workshop teaches local governments how to prepare for an emergency, from identifying their essential records to responding to disasters efficiently to keep business as normal as possible. To receive a completion certificate, the participant must attend both sessions, as they cover different material. You **will not** be counted as participating if your phone number or username on Zoom do not match the information provided below. These sessions will not be recorded, so please take notes.

**All information about the sessions will be emailed to participants prior to each session.**

**Date(s):** Monday, May 6, Wednesday, May 8

**Time:** 10 A.M.

**Location:** Zoom
