Provided further, it is the intention of the Legislature, in the event budget reductions are imposed on the Gulf Coast Research Laboratory by the Board of Trustees of State Institutions of Higher Learning, as a result of the Governor ordering budget reductions under the provisions of Section 27-104-13 or 31-17-123, Mississippi Code of 1972, the same percent reduction will be applied to those state funds identified in this section for Sea Grant match.

It is the intent of the Legislature that no general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries

authorized under the provisions of this act and which are withdrawn and no longer available.

After the Mississippi State Chemical Laboratory has provided the maximum amount of services which may be provided free of charge under the provisions of Section 57-21-11(c), Mississippi Code of 1972, the laboratory shall not provide any additional services from the funds appropriated under the provisions of Sections 1 and 2 if any charges for such services previously provided are more than ninety (90) days past due. After all such delinquent charges have been paid by a client, the laboratory may provide additional services to the client.

SECTION 5. Of the funds appropriated in Section 2 and authorized for expenditure in Section 4(b), the following amounts shall be derived from Education Enhancement Funds deposited pursuant to Sections 27-65-75 and 27-67-31, Mississippi Code of 1972:

Executive Office of the Board of Trustees

for the sum of ..... $ 402,396.00.

SECTION 6. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Board of Trustees of State Institutions of Higher Learning, or any of the powers or duties of any institution under the jurisdiction of the board of trustees, that are authorized by the Mississippi

Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

SECTION 7. It is the intention of the Legislature that the budget requests of the individual institutes, laboratories and programs consolidated in this bill for Fiscal Year 2015 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2014 budget request process.

SECTION 8. The Board of Trustees shall report yearly to the Legislature the institution compliance with Section 97-11-51, Mississippi Code of 1972, which prohibits deficit spending.

SECTION 9. Of the funds appropriated under the provisions of Section 1, One Hundred Fifty Thousand Dollars ($150,000.00) is provided for the purpose of defraying the expenses of the University Research Center Bureau of Comprehensive Long-Range Economic Planning in supporting the Mississippi Delta Regional Revitalization Act of 2006, as created in House Bill No. 1034 (2006 Regular Session).

SECTION 10. Any funds appropriated pursuant to this act and paid as a fee to or deposited in a financial institution shall be in compliance with Section 109 of the Constitution of the State of Mississippi and Section 25-4-103, Mississippi Code of 1972.

SECTION 11. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things

stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 12. Of the funds appropriated under the provisions of Section 2, and authorized for expenditure in Section 4(b), the following amount shall be derived from any amount in the State Treasury to the credit of the Mississippi Commission for Volunteer Service Fund:

Mississippi Commission for Volunteer Service

for the sum of.....$ 62,000.00.

SECTION 13. None of the funds appropriated and/or authorized for expenditure under this act shall be used for research in which a human embryo is killed or destroyed.

SECTION 14. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 15. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon

warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 16. This act shall take effect and be in force from and after July 1, 2013.
