SENATE BILL NO. 3049

Originated in Senate _____ Secretary

SENATE BILL NO. 3049

AN ACT MAKING AN APPROPRIATION TO DEFRAY THE EXPENSES OF THE DEPARTMENT OF FINANCE AND ADMINISTRATION FOR FISCAL YEAR 2020.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, to defray the expenses of the Department of Finance and Administration for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 40,272,111.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Department of Finance and Administration for the purpose of defraying the expenses incurred in the operation of the various offices of the department for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 60,739,528.00.

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	505
	Part Time	3
Time-Limited:	Full Time	1
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2021 do not exceed Fiscal Year 2020 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2020 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2020 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2020 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation

requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for all full-time employees to receive up to a Three Percent (3%) pay increase to the realignment component of the Variable Compensation Plan, excluding head of agencies, board members and commission members.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

Provided that a report based on expenditures incurred during the current and immediate past fiscal years shall be provided to

each regularly scheduled legislative session. This report should reflect expenditures as a result of the operation of the Robert E. Lee Building, the Woolfolk State Office Building, the Gartin and Sillers Buildings, the Capitol Buildings, the Central High School Building, the Robert G. Clark, Jr. Building and other state buildings, and this report should contain any steps taken to reduce operating costs.

It is also the intention of the Legislature that no state-owned aircraft shall be utilized by any person except for official business only.

SECTION 4. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the Tort Claims Trust Fund not otherwise appropriated, for the purpose of defraying the expenses of the Tort Claims Board in the administration of the Tort Claims Act for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 6,549,647.00.

SECTION 5. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	8
	Part Time	0
Time-Limited:	Full Time	0
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2021 do not exceed Fiscal Year 2020 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2020 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2020 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2020 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for all full-time employees to receive up to a Three Percent (3%) pay increase to the realignment

component of the Variable Compensation Plan, excluding head of agencies, board members and commission members.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 6. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Mississippi Commission on the Status of Women for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 42,100.00.

SECTION 7. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Mississippi Commission on the Status of Women for the purpose of defraying the expenses of the commission for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 7,265.00.

This appropriation is made for the purpose of providing funds to defray the expense of the Mississippi Commission on the Status of Women as established pursuant to Sections 43-59-1 through 43-59-14, Mississippi Code of 1972.

SECTION 8. Of the funds appropriated under the provisions of Sections 6 and 7, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	1
	Part Time	0
Time-Limited:	Full Time	0
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2021 do not exceed Fiscal Year 2020 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2020 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to

fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2020 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2020 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for all full-time employees to receive up to a Three Percent (3%) pay increase to the realignment component of the Variable Compensation Plan, excluding head of agencies, board members and commission members.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions

without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 9. It is the intention of the Legislature that the Department of Finance and Administration shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2019. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2021 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2020 budget request process.

SECTION 10. The department is authorized to expend available funds on technology or equipment upgrades or replacements when it will generate savings through efficiency or when the savings generated from such upgrades or replacements exceed expenditures thereof.

SECTION 11. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 12. Of the funds appropriated in Section 1, an amount not to exceed Four Hundred Thousand Dollars ($400,000.00) and ten (10) positions are provided in order to provide the required Police Protection services for such governmental organizations, under the rules and regulations of the Department of Finance and Administration.

SECTION 13. Of the funds appropriated in Section 2, the following sum, or so much thereof, shall be derived out of any money in the State Treasury to the credit of the Capital Expense Fund, as created in Section 27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the Treasurer's office, for the purpose of defraying the agency operation and equipment expenses of the Capitol Police ..... $ 397,000.00.

SECTION 14. The Bureau of Building, Grounds and Real Property Management of the Office of General Services is hereby expressly authorized and empowered to receive, budget and expend any state, local or other source funds designated for supplemental

funding of construction and/or repairs and renovation projects. The Bureau of Building, Grounds and Real Property Management of the Office of General Services shall not use any of the funds authorized in this section to pay salaries. For the purposes of this section, the Bureau of Building, Grounds and Real Property Management of the Office of General Services does not have the authority to escalate from the Capital Expense Fund or the Working Cash-Stabilization Reserve Fund.

SECTION 15. The following sum, or so much thereof as may be necessary, shall be derived out of any money in the State Treasury to the credit of the Capital Expense Fund, as created in Section 27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the Treasurer's Office, for the repair, renovation, and improvements of state-owned properties, universities and community colleges ..... $ 11,000,000.00.

Any amounts allocated to a project that are in excess of that needed to complete the project may be used for general repairs and renovations at state-owned properties, universities and community colleges at the discretion of the Department of Finance and Administration.

SECTION 16. Of the funds appropriated in Section 2, it is the intention of the Legislature that an amount not to exceed Four Million Five Hundred Thousand Dollars ($4,500,000.00) is authorized to be expended for the purpose of transferring funds to the Bureau of Building, Grounds and Real Property Management for

the administration of projects for the repair and maintenance of state-owned buildings.

SECTION 17. Of the funds appropriated in Section 2, an amount not to exceed One Hundred Thousand Dollars ($100,000.00) is authorized to be expended to defray any shortfall in the Master Lease Purchase Program as defined in Section 31-7-10, Mississippi Code of 1972.

SECTION 18. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund for the purpose of defraying the expenses of State Property Insurance for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 4,257,386.00.

SECTION 19. The following sum, or so much thereof as may be necessary, shall be derived out of any money in the State Treasury to the credit of the Capital Expense Fund, as created in Section 27-103-303, Mississippi Code of 1972, and allocated in a manner as determined by the Treasurer's Office, for the purpose of defraying the expenses of State Property Insurance for the fiscal year beginning July 1, 2019, and ending June 30, 2020 .. $ 3,092,614.00.

SECTION 20. Of the funds herein appropriated, it is the intention of the Legislature that two (2) of the allotted Full-Time Permanent Positions in Section 3 of this bill may be used for performing related administrative duties of the State Property Insurance program.

SECTION 21. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, to the Department of Finance and Administration for the purpose of providing a grant to the Mississippi Home Corporation, for the fiscal year beginning July 1, 2019, and ending June 30, 2020 ..... $ 1,484,450.00.

SECTION 22. The funds appropriated herein shall be targeted to individuals with disabilities or individuals with serious mental illnesses who:

(1) Are being discharged from a state psychiatric hospital after a stay of more than ninety (90) days; or, nursing facility, or intermediate care facility for individuals with intellectual disabilities after a stay of more than ninety (90) days; or
