With regard to the request made by Sheila Iray Travis as respects Endorsement #17, please note that we were able to finally have the carrier endorse the policy providing coverage for transportation of materials by the insured at no additional premium and therefore would gain no advantage by removing the endorsement.

As discussed at the time of the renewal placement, there are several changes in this year's policy compared with last year. As with any insurance policy, there are exclusions and coverage limitations. We ask that you also review the policy and contact us with any questions you may have in order to avoid any misconceptions of coverage.

We thank you again for allowing us to be service to you and we look forward to any questions and or comments you may have.

Sincerely,

Environmental Impairment Liability Insurance Policy

Claims Made and Reported Coverage

This is a claims made and reported policy. Notice of a potential "claim" is not a "claim" and does not trigger coverage under the policy. This policy has certain provisions and requirements unique to it and may be different from other policies you may have purchased. Read the entire policy carefully to determine rights, duties and what is and is not covered. Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the Company providing this insurance. Words and phrases that appear in quotation marks have special meaning. Refer to DEFINITIONS (Section II).

"Claim(s)" must first be made against an "insured" during the "policy period", and "claim(s)" must be reported, in writing, to us during the "policy period", the automatic extended reporting period or an extended reporting period, if applicable.

The payment of "claim expense(s)", including defense costs, reduces the limits of insurance. If the policy limit is exhausted, we shall not be liable for "claim expense(s)" or for the amount of any judgment or settlement.

In consideration of the payment of premium and your undertaking to pay the Deductible as described herein, in reliance upon the statements in the Application made a part hereof, and subject to the Limits of Liability of this insurance as set forth in the Declarations, and the exclusions, conditions and other terms of this policy, we agree with you as follows:

I. INSURING AGREEMENT

We will pay on behalf of an "insured" any "loss" caused by a "pollution event" on, at, under or coming from a "covered location" that an "insured" is legally obligated to pay as a result of a "claim" first made against the "insured" during the "policy period" provided that the "claim" is reported to us during the "policy period", or any applicable extended reporting period.

DEFENSE

We shall have the right and duty to assume the adjustment, defense and settlement of any "claim" brought by or on behalf of a third party seeking payment for "loss(es)" to which this insurance applies. "Claim expense(s)" reduces the applicable Limits of Liability set out in the Declarations as described in LIMITS OF LIABILITY AND DEDUCTIBLE (Section VI).

Our duty to adjust, defend and settle all "claim(s)" to which this insurance applies, pending and future, ends when the applicable Limits of Liability have been tendered into court or exhausted by payment of "claim expense(s)" or "loss(es)".

II. DEFINITIONS

- A. "Automobile" means a land motor vehicle, trailer or semi-trailer designated for travel on public roads including any machinery or apparatus attached thereto.
- B. "Bodily injury" means physical injury, sickness, disease, mental anguish, or emotional distress sustained by any person, including death resulting therefrom.
- C. "Claim(s)" means any demand received by an "insured" alleging liability or responsibility on the part of the "insured" for "loss(es)" caused by a "pollution event" on, at, under or coming from a "covered location".
- D. "Claim expense(s)" means:
 1. fees charged by an attorney designated by:
 - a. us; or
 - b. the "insured" with our prior written consent; and
 2. all other fees, costs and expenses resulting from the defense, settlement and appeal of a "claim" if incurred by us or the "insured" with our consent including interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the amount available for the judgment under the policy.

However, "claim expense(s)" does not include the salaries or expenses of regular employees or officials of ours or the "insured's" or expenses of our adjusters. The "insured" shall be allowed \$250 per day but no more than \$5,000 in total allowable expenses for the compensation to its principals, partners, officers, directors, or employees for personally attending any legal proceeding at our request. These allowable expenses shall not reduce the applicable Limits of Liability and Deductible set out in the Declarations.

E. "Cleanup costs" means the necessary expenses incurred in the investigation, removal, remediation, neutralization or immobilization of contaminated soil, surface water, groundwater, or other contamination.

F. "Closure plan" or "post closure plan" means the written documents required by the Code of Federal Regulations, 40 CFR Parts 260 - 299 (revised as of July 1, 1997), including any amendments, or by similar state laws and regulations, which require the partial or final closure or post closure of a unit, facility or location.

G. "Covered location(s)" means the property(ies) shown in the Declarations or applicable Endorsement.

2. the "use value" of injury to or destruction of natural resources, including the land, surface water, groundwater, subsurface strata, air, fish, wildlife, or biota between the time of a "pollution event" and restoration of the natural resources injured by the "pollution event".

"Use value" means the value of the natural resources to the public attributable to the direct use of the services provided by the natural resources.

M. "Policy period" means the period set forth in the Declarations, or any shorter period arising:

1. from cancellation or termination of this policy; or
2. with respect to a specific "covered location":

1. we shall have the right but not the duty to investigate, defend or settle any such "claim" brought against the "insured";
2. if we elect not to investigate, defend or settle any such "claim", the "insured" shall, under our supervision, arrange for such investigation and defense thereof as is reasonably necessary, and subject to our prior authorization, shall effect such settlement thereof as we and the "insured" deem expedient;
3. we will reimburse the "insured" for the reasonable cost of such investigation and defense and the amount of any settlement or judgment in excess of the Deductible amount stated in the Declarations, all subject to and within the Limits of Liability stated in the Declarations; and

- B. In addition to the automatic extended reporting period, you shall be entitled to purchase an extended reporting period of up to three (3) years in duration, except in the event of nonpayment of premium. The charge for an extended reporting period of up to three years in duration shall not be more than one hundred percent (100%) of the premium per "policy period". The extended reporting period of up to three years in duration starts when the automatic extended reporting period set forth in the above paragraph ends.
- C. Upon payment of the additional premium, we shall issue an endorsement providing for an extended reporting period of up to three years in duration, provided that you:
 1. make a written request for such endorsement which we receive within sixty (60) days after termination of coverage as defined herein; and
 2. pay the additional premium when due. If such additional premium is paid when due, the extended reporting period may not be canceled by us, provided that all other terms and conditions of the policy are met.

The purchase of an extended reporting period does not reinstate or increase the Limit of Liability shown in the Declarations as applicable to the Total for all Claims.
- G. Notwithstanding CONDITIONS (Section VIII) paragraph I, OTHER INSURANCE - and Section D.2, above, the insurance afforded for "claims" first reported during the automatic extended reporting period and the extended reporting period endorsement is excess over any other valid and collectible insurance available under policies in force during the automatic extended reporting period and the extended reporting period endorsement.

VI. LIMITS OF LIABILITY AND DEDUCTIBLE

A. EACH CLAIM LIMIT OF LIABILITY

Our liability for each "claim", including "loss(es)" and applicable "claim expense(s)", shall not exceed the amount set out in the Declarations as the Each Claim Limit of Liability. We shall not be obligated to pay any "loss(es)" or applicable "claim expense(s)" or undertake or continue the defense of any "claim" after the Each Claim Limit of Liability set out in the Declarations has been tendered into court or exhausted by payments for "claim(s)", "loss(es)" or applicable "claim expense(s)".

B. TOTAL LIMIT OF LIABILITY

Subject to paragraph A., above, our total liability for all "claim(s)", including "loss(es)" and applicable "claim expense(s)", shall not exceed the amount set out in the Declarations as the Total for all Claim(s) Limit of Liability. We shall not be obligated to pay any "loss(es)" or applicable "claim expense(s)" or undertake or continue the defense of any "claim", pending or future, after the Total for all Claims Limit of Liability set out in the Declarations has been tendered into court or exhausted by payments for "claim(s)", "loss(es)" or applicable "claim expense(s)".

C. DEDUCTIBLE

The Deductible amount set out in the Declarations is your obligation and applies to each "claim" and shall include all "loss(es)" and applicable "claim expense(s)" up to the Deductible amount for each "claim". The Deductible amount does not erode the Limits of Liability. We may advance payment for "loss(es)" and "claim expense(s)" within the Deductible. You shall promptly reimburse us for advancing any element of "loss(es)" and "claim expense(s)" paid by us within your Deductible.

If you agree with us to use "mediation" to resolve a "claim" for which a defense has been provided and a "claim" is resolved thereby, the Deductible set out in the Declarations shall be reduced by 50% for that "claim" only, subject to a maximum reduction of \$25,000.

D. MULTIPLE INSURED, CLAIMS, LOSSES, CLAIMANTS, POLLUTION EVENTS, AND POLICY PERIODS

1. MULTIPLE INSURED OR CLAIMANTS

The inclusion of more than one "insured" in the making of a single "claim" or the bringing of a single suit regarding the same "pollution event" shall not increase the Limits of Liability stated in the Declarations, neither shall the making of "claims" or the bringing of suits by more than one person or organization increase the Limits of Liability stated in the Declarations.

2. MULTIPLE CLAIMS

Two or more "claims" arising out of the same, interrelated, associated, repeated or continuous "pollution event(s)" or a series of related "pollution events" shall be considered a single "claim", and shall be subject to one Limit of Liability and only one Deductible as stated in the Declarations, regardless of the number of "insured(s)" or claimants involved or the number or amount of, "losses" or "policy periods" in which "pollution events", or "losses" occurred and regardless of the number of "pollution events" alleged to have occurred.

3. MULTIPLE POLICY PERIODS

Any "loss" or "claim" which takes place over two or more "policy periods" shall be subject to one Limit of Liability and one Deductible as stated in the Declarations. All such "claims" for "loss(es)", whenever made, shall be considered first made on the date on which the earliest "claim" was first made and reported to us and the Limits of Liability applicable to that "policy period" shall apply.

4. CLAIMS ARISING FROM POTENTIAL CLAIMS

Any "pollution event" which results in a "claim" in a subsequent uninterrupted renewal "policy period" shall be subject to the Each Claim and Total for all Claims Limits of Liability applicable to the "policy period" in effect when the "pollution event" was reported to us.

5. CLAIMS REPORTED IN THE EXTENDED REPORTING PERIODS

The automatic extended reporting period and the extended reporting period, if purchased by you, shall not serve to increase or reinstate the Limits of Liability set out in the Declarations to the policy. The Limits of Liability shall be that which remains at the end of the "policy period".

E. EXHAUSTION OF LIMITS AND TRANSFER OF DUTIES

When the Each Claim or Total for all Claims Limit of Liability described above has actually been exhausted in the payment of "loss(es)" or "claim expense(s)", we will:

1. notify the "insured", in writing, as soon as possible, that such limits have been exhausted and our duty to defend "claim(s)" under INSURING AGREEMENT (Section I) has also ended; and
2. commence and cooperate in the transfer of control to any appropriate "insured" of all "claim(s)" which are subject to that limit and which are reported to us before that limit is exhausted.

VII. CLAIM PROVISIONS**A. NOTICE OF CLAIM**

In the event of a "claim", the "insured" shall give written or oral notice to us as soon as possible containing particulars sufficient to identify an "insured" and reasonably obtainable information with respect to:

1. the time, place, "covered location" and explanation of the "pollution event" including how and when the "insured" first became aware of the "pollution event" and the "claim";
2. the names and addresses of any injured parties and available witnesses;
3. any and all investigative or engineering reports, data or information about the "pollution event" or "loss"; and
4. any and all other relevant information about the "claim", "pollution event" or "loss".

If a "claim" is made against an "insured", the "insured" shall immediately forward to us every demand, notice, summons, complaint, order or other process received by an "insured" or its representatives.

B. NOTICE OF POTENTIAL CLAIM

If during the "policy period" the "insured" discovers a "pollution event" which may reasonably be expected to give rise to a "claim" under the policy, the "insured" shall provide written notice to us, as soon as possible, during the "policy period" containing particulars sufficient to identify an "insured" and reasonably obtainable information with respect to:

1. the time, place, "covered location", and explanation of the discovery, including how and when the "insured" first became aware of the "pollution event";
2. the names and addresses of any injured parties and available witnesses;

3. any and all investigative or engineering reports, data or information about the "pollution event" or "loss"; and
4. any and all other relevant information about the "pollution event" or "loss";

and any subsequent "claim" arising from the reported "pollution event" made against the "insured" and reported to us, pursuant to paragraph C., below, during an effective renewal "policy period" or extended reporting period issued by us for which coverage is provided by this policy shall be deemed, for the purposes of this insurance, to have been made on the date on which written notice of the "pollution event" was first received by us.

C. NOTICE TO US

All "claim(s)" and potential "claim(s)" shall be reported to:

Zurich U.S.
Environmental Claims Unit
1400 American Lane
Schaumburg, Illinois 60196-1056
Attention: Managing Account Specialist -
Environmental Specialties

or any other address as substituted by us by endorsement onto the policy.

In the event of oral notice, the "insured" agrees to furnish a written report to us as soon as possible.

D. SELECTION OF DEFENSE COUNSEL

1. In the event an "insured" is entitled by law to select independent counsel to defend the "insured" at our expense, the attorney's fees and all other litigation expenses we must pay to that counsel are limited to rates we actually pay to counsel we retain in the ordinary course of business in the defense of similar claims in the community where the "claim" arose or is being defended.

Additionally, we may exercise the right to require that such counsel have certain minimum qualifications with respect to their legal competency including experience in defending claims similar to the one pending against an "insured" and to require such counsel to have errors and omissions insurance coverage. The "insured" agrees that such counsel will respond to our request for information regarding the "claim" in a timely manner. Furthermore, an "insured" may at any time, by its signed consent, waive its right to select independent counsel.

2. The "insured" shall have the option to consent to our choice of legal counsel, which consent shall not be unreasonably withheld or denied.

E. SETTLEMENT

The "insured" shall not admit liability or settle any "claim" without our written consent. If we recommend a reasonable settlement of a "claim," the "insured" shall have the opportunity to concur, such concurrence is not to be unreasonably withheld. If we recommend a reasonable settlement of a "claim":

1. for an amount within the Deductible and the "insured" refuses to concur with such settlement, then we shall not be liable for any "loss(es)", including "claim expense(s)", in excess of the Deductible; or
2. for a total amount in excess of the balance of the Deductible and the "insured" refuses to concur with such reasonable settlement acceptable to the claimant, then our liability for "loss(es)", including "claim expense(s)", shall be limited to that portion of the recommended settlement and the costs, charges and expenses incurred as of the date of the "insured's" refusal which exceed the Deductible and fall within the Limit of Liability.

F. VOLUNTARY PAYMENTS

No costs, charges or expenses shall be incurred, or liability assumed, by an "insured" without our written consent, which shall not be unreasonably withheld or denied.

Notwithstanding the foregoing, an "insured" may take such "emergency action(s)" as reasonably necessary to prevent or mitigate further damage or "loss(es)", provided the "insured" provides notice to us within ninety-six (96) hours.

In the event of oral notice, the "insured" agrees to furnish a written report to us as soon as possible.

VIII. CONDITIONS

- A. ASSIGNMENT** - Assignment of interest under this policy shall not bind us until our consent is endorsed thereon, which consent shall not be unreasonably withheld.
- B. AUDIT AND INSPECTION** - We shall be permitted upon reasonable prior notice to audit the "insured's" financial books and records at any time during the "policy period" and within three years after the final termination of this policy, as far as they relate to the subject matter of the policy. We shall also be permitted upon reasonable prior notice, to inspect, sample and monitor on a continuing basis your "covered location(s)" and operations. Neither our right to make inspections, sample and monitor, nor the actual undertaking thereof, nor any report thereon shall constitute an undertaking, on behalf of us or others, to determine or warrant that a "covered location", or operation is safe, healthful or conforms to acceptable engineering practice or is in compliance with any law, rule or regulation. We do not manage or exercise control over any "covered location".
- C. BANKRUPTCY** - Bankruptcy or insolvency of an "insured" will not relieve us of our obligations under this policy.
- D. CANCELLATION** - This policy may be canceled by you by surrender to us or any of our authorized brokers, or by mailing to us written notice stating when the cancellation shall be effective. This policy may be canceled by us by mailing to you, at the address shown in this policy, a notice stating when thereafter (not less than sixty (60) days for fraud or material misrepresentation or ten (10) days for non-payment of premium) such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the "policy period". Delivery of such written notice either by you or by us shall be equivalent to mailing.
- E. CHANGES** - Notice to any broker or knowledge possessed by any broker or by any other person shall not effect a waiver or change in any part of this policy or stop us from asserting any right under the terms of this policy. The terms of this policy shall not be waived or changed, except by endorsement issued to form a part of this policy.
- F. CHOICE OF LAW** - In the event an "insured" and we dispute the meaning, interpretation or operation of any term, condition, definition or provision of this policy resulting in litigation, arbitration or other form of dispute resolution, the "insured" agrees with us that the law of the State of New York shall apply without giving effect to any conflicts or choice of law principles. In the event the "insured" agrees with us to resolve the dispute by arbitration, any such arbitration shall be in accordance with the Commercial Arbitration Rules of the American Arbitration Association.
- G. COOPERATION** - The "insured" agrees with us to assist and cooperate in the fulfillment of the policy's terms, including the investigation, adjustment, defense or settlement of "claim(s)".
- H. DECLARATIONS** - By acceptance of this policy, you agree that the statements in the Declarations and Application are your agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between you and us or any of yours or our brokers relating to this insurance.
- I. OTHER INSURANCE** - The insurance provided under this policy is primary insurance, except when stated in the Declarations or by Endorsement to apply in excess of, or contingent upon the absence of, other insurance. When this insurance is primary and the "insured" has other insurance which is stated to be applicable to the "claim" or "loss" on an excess basis, the amount of our liability under this policy shall not be reduced by the existence of such excess insurance.
- When both this insurance and other insurance apply to the "claim" or "loss" on the same basis, whether primary, excess or contingent, we shall not be liable under this policy for a greater proportion of the "claim" or "loss" than that set out in the Declarations or the following contribution provision, whichever method is lower:
- a. Contribution by Equal Shares - Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the "cleanup costs" or "loss" remains, whichever occurs first; or
 - b. Contribution by Limits - Each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
- J. SEPARATION OF INSUREDS** - Except with respect to the Limits of Liability and any rights and duties specifically assigned to you, this insurance applies:
1. as if each Named Insured were the only Named Insured; and
 2. separately to each "insured" against whom "claim" is made.

T-344 P.014/01B F-870

Misrepresentation, concealment, breach of condition or violation of any duty under this policy by one "insured" shall not prejudice the interest of coverage for another "insured" under this policy.

L. SOLE AGENT - The first Named Insured shall act on behalf of all "insureds" for all purposes, including but not limited to the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this policy, giving and receiving notice of cancellation or non-renewal, and the exercise of the rights provided in the extended reporting periods clause.

M. SUBROGATION - In the event of any payment under this policy, we shall be subrogated to all an "insured's" rights of recovery against any person or organization. An "insured" shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The "insured" shall do nothing to prejudice such rights.

Any recovery obtained through subrogation, after expenses incurred in such subrogation are deducted by the party bearing the expense, shall be applied proportionately to you and us for actual payments as a result of judgment, settlement or defense of a "claim".

Environmental Impairment Liability Insurance Policy - Claims Made and Reported Coverage

In consideration of the payment of premium and the Deductible by you and in reliance upon the statements in the Application made a part hereof, we agree with you, subject to all terms, exclusions and conditions of the policy that we will extend the time for reporting "claim(s)" after termination of this policy. This period of extension shall be effective from 12:01 am on April 01, 2003 to 12:01 am on May 30, 2003

This endorsement provides coverage for "claim(s)" by third parties that would have been covered under the terms of this policy had they been reported before your coverage ended or terminated. Coverage shall be provided by this endorsement provided that:

1. the "pollution event" commenced subsequent to a retroactive date, if any, and before the end of the "policy period"; and
2. you have not purchased any other insurance to replace coverage provided by this endorsement; and
3. the "claim" is otherwise covered under the terms and conditions of this policy.

We will provide the Each Claim Limit of Liability subject to that which is remaining in the Total for all Claims Limit of Liability shown in the Declarations to this policy, but only for "claim(s)" first reported to us pursuant to the policy during the extended reporting period endorsement. This endorsement modifies insurance provided under the following:

Environmental Impairment Liability Insurance Policy - Claims Made and Reported Coverage

In consideration of the payment of premium and the Deductible by you and in reliance upon the statements in the Application made a part hereof, we agree with you, subject to all the terms, exclusions and conditions of the policy that:

1. **INSURING AGREEMENT (Section I)** is deleted and replaced by the following:

INSURING AGREEMENT

We will pay on behalf of an "insured" any "claims" for "loss" an "insured" is legally obligated to pay as a result of a "pollution event" on, at, under or coming from a "covered location".

CONDITIONS PRECEDENT TO COVERAGE:

It is a condition precedent to coverage that the "insured" establish, at their expense, that the "pollution event":

- can be identified as having first commenced at a specific time and date during the term of coverage under this policy for the "covered location";
- was discovered by an "insured" within seven (7) days after its commencement; and
- was reported as soon as possible to us by the "insured", but not later than thirty (30) days after being discovered by the "insured", pursuant to **CLAIMS PROVISIONS (Section VII), B. NOTICE OF POLLUTION EVENT** as amended by this endorsement.

If we have a factual disagreement about the above conditions the burden of proof rests with the "insured" at their expense. We have no obligation to defend any "claim" or pay any "loss" until we have accepted the "insured's" proof.

Any "claim(s)" for "loss(es)" caused by a "pollution event" must be made against the insured and reported to us as soon as possible but in no event later than one (1) year after policy expiration or termination. In no event shall coverage apply if a "claim" is reported to us later than one (1) year after the policy has expired or has been terminated.

DEFENSE

We shall have the right and duty to assume the adjustment, defense and settlement of any "claim" brought by or on behalf of a third party seeking payment for "loss(es)" to which this insurance applies, but only if the above conditions precedent to coverage are met. "Claim expense(s)" reduces the applicable Limits of Liability set out in the Declarations as described in **LIMITS OF LIABILITY AND DEDUCTIBLE (Section VI)**.

Our duty to adjust, defend and settle all "claims" to which this insurance applies, pending and future, ends when the applicable Limits of Liability have been tendered into court or exhausted by payment of "claim expense(s)" or "loss(es)".

3. EXTENDED REPORTING PERIOD (Section V.) is deleted.
4. LIMIT OF LIABILITY & DEDUCTIBLE (Section VI.), subsection D., paragraphs 4 and 5 are deleted.
5. CLAIM PROVISIONS (Section VII.) is amended as follows:

a. Subsections A., B. and C. are deleted and replaced by the following:

A. NOTICE OF CLAIM

In the event of a "claim", the "insured" shall give written or oral notice to us as soon as possible containing particulars sufficient to identify the "insured" and reasonably obtainable information with respect to:

1. the time, place, "covered location", associated "pollution event" and circumstances of the "claim";
2. the names and addresses of any injured parties and available witnesses;
3. any and all investigative or engineering reports, data or information about the "pollution event" or "loss"; and
4. any and all other relevant information about the "claim", "pollution event" or "loss".

If a "claim" is made against an "insured", the "insured" shall immediately forward to us every demand, notice, summons, complaint, order, communication or other process received by an "insured" or its representative.

B. NOTICE OF POLLUTION EVENT

If the "insured" reports a "pollution event" the "insured" shall provide written or oral notice to us containing particulars sufficient to identify an "insured" and reasonably obtainable information with respect to:

1. the time, place, "covered location(s)", circumstances and explanation of the discovery of the "pollution event", including how and when the "insured" first became aware of the "pollution event";
2. the names and addresses of any injured parties and of available witnesses;
3. any and all investigative or engineering reports, data or other information about the "pollution event"; and
4. any and all other relevant information about the "pollution event".

C. NOTICE TO US

All "pollution events" and "claims" shall be reported to:

1. The retroactive date shall be the earliest date that a "pollution event" can commence for coverage to be provided under the policy. If no entry appears or N/A appears in the retroactive date then a retroactive date shall not apply to that specific non-owned "covered location" scheduled above.
2. **EXCLUSIONS** (Section IV.) is amended to include the following Exclusions applicable to coverage provided under this endorsement only:

3. **CONDITIONS.** (Section VIII.), Condition I, Other Insurance, shall be deleted in its entirety and the following Condition I, shall apply only to coverage provided by this endorsement:
 - I. **OTHER INSURANCE** - When other insurance is available to the "insured" for "cleanup costs" and "loss" covered under the terms and conditions of this policy and this endorsement, our obligation to the "insured" shall be as follows:
 1. The coverage provided by this policy and this endorsement shall apply as excess insurance over any other valid and collectible insurance, be it primary or excess. This excess insurance shall operate as primary insurance as a result of the receivership, insolvency, or inability to pay of any insurer with respect to both the duty to indemnify and the duty to defend. However, this does not apply to the "insured" while acting as a self-insured for any coverage.
 2. Where this policy and this endorsement is excess insurance, we will pay only our share of the amount of "cleanup costs" and "loss" including "claim expense", if any, that exceeds the total amount of all such valid and collectible insurance.

This endorsement modifies insurance provided under the following:

Environmental Impairment Liability Insurance Policy - Claims Made and Reported Coverage

In consideration of the payment of premium and the Deductible by you and in reliance upon the statements in the Application made a part hereof, we agree with you, subject to all the terms, exclusions and conditions of the policy, that all references to Deductible in the policy shall be deleted and replaced with Self Insured Retention and LIMITS OF LIABILITY AND DEDUCTIBLE (Section VI), Paragraph C., Deductible shall be deleted in its entirety for all Cedar Chemical (and subsidiary) locations or non-owned covered locations and the following shall apply. In the event that this endorsement conflicts with any other provision in this policy, this endorsement shall control the application of this insurance.

1. Self Insured Retention

- A. The Self Insured Retention amount shown in this schedule, below, shall be your obligation for payment of all "cleanup cost(s)" and "loss(es)", including "claim expense(s)", until the Self Insured Retention is exhausted by such payments. The Self Insured Retention amount is the most you will pay for Self Insured Retention amounts arising out of any "claim", regardless of the number of persons or organizations making "claim(s)" or bringing suits. The Self Insured Retention amount applies to those "cleanup cost(s)", "loss(es)" and "claim expense(s)" that would be covered by this policy in the absence of this endorsement.

and to any remaining period of less than twelve (12) months. The Total for all Claims Self Insured Retention amount is not subject to proration in the event this policy is cancelled midterm.

- C. If a Maintenance Deductible is shown in the Schedule, above, then such Maintenance Deductible shall apply for each and every "claim", but only when the Total for all Claims Self Insured Retention has been satisfied by the actual payment of the Each Claim Self Insured Retention amounts. Once the Maintenance Deductible applies because of the satisfaction of the Total for all Claims Self Insured Retention, the original LIMITS OF LIABILITY AND DEDUCTIBLE (Section VI), Paragraph C., Deductible shall apply. If no entry appears or N/A appears in the Maintenance Deductible and the Total for all Paragraph C., Deductible shall apply. If no entry appears or N/A appears in the Maintenance Deductible and the Total for all Claims Self Insured Retention amount is exhausted by payments for "cleanup cost(s)" and "loss(es)", including "claim expense(s)", then we are obligated to pay all "cleanup cost(s)" and "loss(es)", including "claim expense(s)" to the Limits of Liability and covered under the policy without the application of the Each Claim or Total for all Claims Self Insured Retention amounts or a Maintenance Deductible amount. If no entry appears or N/A appears in the Maintenance Deductible and in the Total for all Claim(s) Self Insured Retention then you are responsible for payment of the Each Claim Self Insured Retention amount for each and every "claim".
- D. You shall pay all amounts as those amounts are incurred until you have paid all amounts for "cleanup cost(s)", "loss(es)" or "claim expense(s)" or any other such coverage which may be included in the policy by endorsement, equal to the applicable Self Insured Retention amount or Maintenance Deductible amount.

2. Authorized Claim Service Provider

- A. You shall employ a claim service provider acceptable to us for the purpose of providing claim services for settlement of "claim(s)" within the Self Insured Retention amounts. The fees, charges, and costs of the claim service provider shall be in addition to the Self Insured Retention amount, without any reimbursement from us.
- B. In the event of cancellation, expiration or revision of the claims service contract between you and the claims service provider, you shall notify us within ten (10) days of such change and shall replace the claims service provider with another claim service provider that is acceptable to us.

4. Reporting of Status of Claim

A. You must report on the status of "claim(s)" within the Self Insured Retention amount in the following manner:

1. You or the authorized claim service provider must monitor the cumulative Self Insured Retention incurred amounts sustained during the "policy period" and report those total amounts to us in accordance with the time periods of report indicated in the Periodic Reporting of Status of Claim requirement of the Schedule, above, of this endorsement. If the total of all incurred "cleanup cost(s)" and "loss(es)" including "claim expense(s)" should at any time during the "policy period" attain a total amount equal to 75% of the Total for all Claims Self Insured Retention amount, you are required in that event to make an immediate report to us as to total incurred "cleanup cost(s)" and "loss(es)" including "claim expense(s)" sustained at that time.

You acknowledge that in the event of non compliance we shall not be required to establish prejudice resulting from the non compliance, but shall be automatically relieved of liability with respect to the "claim".

5. Self Insured Retention and Claim Expenses

- A. In the event that you refuse to respond to obligations for the payment of Self Insured Retention amounts for any reason, the insurance provided by this policy shall not make payments for you, nor in any event shall we be required to substitute for you as respects your responsibility for payment of these Self Insured Retention amounts.
- B. We shall be liable only for the amount of "cleanup cost(s)", and "loss(es)" including "claim expense(s)" in excess of the Self Insured Retention amounts as applicable, shown in the Schedule above of this endorsement, up to the applicable Limits of Liability shown in the Declarations.

6. Settlement of Claims

You may not settle any "claim" which exceeds any Self Insured Retention amount indicated in the Schedule above without our prior written approval. If the "insured" fails to obtain such prior written approval, we shall have no obligation to provide coverage for that "claim" under this policy.

We have the right to negotiate the settlement of any "claim" tendered to us and covered under terms and conditions of the policy which may exceed the Self Insured Retention amount shown in the Schedule, above, in this endorsement. Environmental Impairment Liability Insurance Policy

In consideration of the payment of premium and the Deductible by you and in reliance upon the statements in the Application made a part hereof, we agree with you, subject to all the terms, exclusions, and conditions of the policy that the preamble to the policy is deleted in its entirety and replaced with the following:

Environmental Impairment Liability Insurance Policy**Claims Made Coverage****Defense Within Limits**

This is a claims made policy. Notice of a potential "claim" is not a "claim" and does not trigger coverage under the policy. This policy has certain provisions and requirements unique to it and may be different from other policies an "insured" may have purchased. Read the entire policy carefully to determine rights, duties and what is and is not covered. Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the Company providing this insurance. Words and phrases that appear in quotations have special meaning. Refer to DEFINITIONS (Section II).

"Claim(s)" must first be made against the "insured" during the "policy period" and "claim(s)" must be reported, in writing, to us during the "policy period", the sixty (60) day automatic extended reporting period or the three (3) year extended reporting period, if applicable.

The payment of "claim expense(s)", including defense costs, reduces the limits of insurance. If the policy limits are exhausted, we shall not be liable for "claim expense(s)" or for the amount of any judgment or settlement.

In consideration of the payment of premium and your undertaking to pay the Deductible as described herein, in reliance upon the statements in the Application made a part hereof, and subject to the Limits of Liability of this insurance as set forth in the Declarations, and the exclusions, conditions and other terms of this policy, we agree with you as follows:

NEW YORK REGULATION 121 DISCLOSURE SUPPLEMENT

"Claims-made relationship" means that period of time between the effective date of your first claims-made policy with us and the cancellation or nonrenewal of the last consecutive claims-made policy between such parties, where there has been no gap in coverage, but does not include any period covered by extended reporting period coverage.

Retroactive Date/Prior Acts Exclusion Date

If the policy has a retroactive date feature or an exclusion or other wording deleting coverage for incidents that happened before a certain date (a prior acts exclusion) then **THERE IS NO COVERAGE FOR INCIDENTS THAT HAPPENED PRIOR TO THAT DATE.**

Claims-Made

In a claims-made policy, coverage is provided for liability **ONLY IF THE CLAIM FOR DAMAGES IS FIRST MADE AGAINST THE INSURED AND REPORTED TO THE COMPANY IN WRITING DURING THE POLICY PERIOD.** All coverage ceases upon termination of the policy, except for the extended reporting period coverage.

Optional Extended Reporting Period/Automatic Extended Reporting Period

The optional extended reporting period coverage provides for a period of time after termination of coverage for incidents that have happened before the termination of coverage and otherwise covered by the policy but only if the "claim" is first made against the "insured" and reported in writing to us during the extended reporting period. The optional extended reporting period coverage can be purchased if you or we terminated coverage. If the optional extended reporting period is not purchased, an automatic extended reporting period coverage goes into effect upon termination of coverage; however, this automatic extended reporting period lasts for only sixty (60) days, (ninety (90) days if the policyholder is a public entity as defined in section 107(a)(51) of the New York Insurance Law). After the end of the extended reporting period, you will have a gap in your insurance coverage, unless you have

obtained appropriate coverage to fill the gap. UPON TERMINATION OF COVERAGE IT IS VERY IMPORTANT THAT YOU CONSULT WITH YOUR INSURANCE AGENT OR BROKER OR OTHER PROFESSIONAL INSURANCE ADVISER.

The length of the optional extended reporting period offered in the policy is THREE (3) YEARS but not less than one (1) year. It will not be available if we terminate coverage because of non-payment of premium or fraud and at the effective date of such termination of coverage a claims-made relationship has continued for less than one (1) year.

Future Premium Increases As Claims-Made Relationship Matures

During the first several years of being covered on a claims-made basis, claims-made rates are generally comparatively lower than rates on other types of policies generally known as occurrence policies, especially if there is no prior acts coverage initially, and you can expect substantial annual premium increases, independent of overall rate level increases, until the claims-made relationship reaches maturity.

THIS DISCLOSURE SUPPLEMENT GENERALLY DISCUSSES CERTAIN IMPORTANT FEATURES OF THE POLICY. YOU SHOULD READ THE ENTIRE POLICY CAREFULLY AND DISCUSS IT WITH AN INSURANCE AGENT OR BROKER OR OTHER PROFESSIONAL INSURANCE ADVISER. THE PROVISIONS OF THE POLICY FORM AND ENDORSEMENTS THERETO ARE CONTROLLING.
