

Getting good health care for your children and teens should not be a problem...  
 And with the Cool Kids program it's not!

The Mississippi Medicaid Cool Kids program is a **FREE** health-care program for Mississippi's children ages birth through 21 who are eligible for Medicaid.

For more information ask your Medicaid Regional Office Specialist, or your doctor or clinic that takes Medicaid. You can also call **1-800-421-2408**
