An important message for Medicaid beneficiaries,  
from Governor Haley Barbour

Governor Barbour

Good news!

Medicaid's new MississippiCan program is designed to improve your access to needed medical services and improve your quality of care without costing you any more money!

Look for ***your*** enrollment packet in the mail, follow directions, fill out the forms, and send them back to Medicaid ***today.***

Female Announcer

If you need help filling out the forms, call Medicaid at:

1-800-421-2408 or 601-359-6050.

(Repeat phone numbers if time will allow. Do not rush.)
