 **UnitedHealthcare[®]**
Community Plan

Serving more than 200,000 members in Mississippi.

As a UnitedHealthcare member, you can enjoy these extra benefits:

- **Unlimited Primary Care Provider (PCP) Visits:** Select your primary care provider (PCP) and receive unlimited PCP office visits.
- **Gift Reward Program:** Choose a primary care provider (PCP) from our large network of doctors. See your doctor in the first three months. Receive a gift reward.
- **Healthy First Steps™:** A program for expecting and new mothers.
- **Adult Vision Benefits:** After annual eye exam, members can receive a pair of glasses (lenses and frames) every 36 months.
- **24-Hour NurseLine™ Services:** Skilled nurses are ready to answer your important health questions. Call us anytime by using our toll-free telephone number. We can give you tips on eating healthy and staying fit. We can also help you:
 - Learn about health screenings
 - Teach you how to take medications safely
 - Understand your treatment options
 - Learn about shots
- **Personalized Care Management Services:** We offer care management services. Skilled nurses and social workers will help you:
 - Find a PCP or specialist
 - Understand your health benefits
 - Meet with you face-to-face to help you
- **Disease Management Services:** Do you have one of these health problems?
 - Diabetes
 - Asthma
 - Organ Transplant(s)
 - Congestive Heart Disease
 - Hemophilia
 - Hypertension
 - Obesity

We have programs for you. These programs give you information to help you live life to the fullest.
