Does Mississippi have a mail-In option for Medicaid redetermination?	Yes
<i>If Mail-in Option is available, please respond to the following questions:</i>	
Is the option limited to specific populations?	All Medicaid Only recipients (families/children/aged/disabled)
Children	
SSI recipients	Unknown
Others:	
Do you know approximately what proportion of redetermination forms are not returned?	No
Do you know approximately what proportion of redetermination forms are returned incomplete?	No
What is the recipient contact procedure if a form is returned incomplete?	Combination but worker must follow up in writing if discussed verbally
Letter	
Call	
If a redetermination form is returned incomplete, does the client receive additional time to respond (i.e., 10 days)?	Yes-up to 2 requests for information will be issued before a Notice of Adverse Action goes out.
If a redetermination form is returned incomplete, and the client does not respond, is the client terminated from the Medicaid Program?	Only after appropriate notice (2 Requests for Info. Followed by a Notice of Adverse Action. Our practice is to also follow up with a phone call before issuing the Adverse Action.
