

Please run this Announcement  
from today ending on May4th, 2011

The Mississippi Division of Medicaid will be hosting a series of workshops to introduce the Medicaid Payment Incentive Program for adopting... implementing...or upgrading... to a certified Electronic Health Record System program for eligible healthcare providers.

These workshops are intended to provide information that will teach how to qualify for up to \$63,750 by participating in the Mississippi Medicaid EHR Incentive Program as well as to demonstrate "**meaningful use**" of certified electronic health technology.

For more information please phone Medicaid at 601-359-4185,  
that's 601-359-4185.
