Please run this Public Service Announcement from today ending on April 22, 2011

The Mississippi Division of Medicaid will be hosting a series of workshops to introduce the Medicaid Incentive Program for adopting... implementing...or upgrading to a certified Electronic Health Record System for eligible healthcare providers.

These workshops are intended to provide information that will teach you how to qualify for up to \$63,750 in **incentive payments and how to demonstrate "meaningful use"** of certified electronic health technology.

For more information please phone Medicaid today at **601-359-6133, that's 601-359-6133.**
