AN ORDINANCE Amending the charter of the City of Meridian, Lauderdale County, State of Mississippi, so as to Authorize the Mayor and Boards of Councilmen and Ald ermen of said City to issue Bonds to Extend, Enlarge and Improve the Water Works System of said City, and for other Purposes.--

Whereas it appears to the Mayor and Boards of Councilmen and Aldermen of the City of Meridian, Lauderdale County, State of Mississippi, that the water works plant and system belonging to said City is now being operated at a profit to the City by the water works commission, but that a sum of $50,000.00 is needed to be expended in enlarging and extending and improving said system so as to give the benefit of said water works system to numerous sections of the city not now supplied with water, and that the operation of said plant and system can be made more remunerative and more efficient and more conducive to the public welfare by the expenditure of $50,000 in extending, improving and enlarging said system; and whereas, it is believed that the profit derived from the operation of the plant as enlarged and extended and improved after the expenditure of said sum, will be sfficient to supply the City with means with which to pay the interest on a bond issue of said amount, and create a sinking fund for the final discharge of said bonds at their maturity, now therefore,

Section. 1. Be it ordained by the Mayor and Boards of Councilmen and aldermen of the City of Meridian, Lauderdale County, State of Mississippi, that the charter of the said City be and the same is hereby amended as follows- to-wit:--

That the Mayor and Boards of Councilmen and Aldermen of the said City be, and they are hereby authorized and empowred to issue, negotiate and sell the bonds of said city to an amount not exceeding the sum of $50,000.00; said bonds to be of the denomination of $1,000.00 each, to bear interest at the rate to be fixed by the Mayor and Boards of Councilmen and A ldermen not exceeding the rate of six per centum per annum, payable semi-annually, said bonds to mature 20 years from the date of the issueance thereof, for the purpose of raising money with which to extend, enlarge and improve the present water works and system of the city of meridian so as to render the same more remunerative and more adequate to the needs of the municipality. Before the issuance of said bonds the Mayor and Boards of Councilmen and Aldermen shall hold an election, in the manner hereinafter p prescribed, to ascertain the will of the qualified eletors of said City as to whether or not said bonds shall be issued. The Mayor and Boards of Councilmen and Aldermen shall have prepared petitions for and against the issuance of said bonds and shall appoint two suitable persons, qualified electors, of said city, over the age of 21 years to hold said election by petition and to receive and record the names of thequalified electors residing within the corporate limits of said City signing said petitions, and shall cause to be published in some newspaper printed and published in said City ten days notice of the time of holding said election by petition, and shall cause said petitions for and against the issuance of said bonds, to be kept open by the persons appointed, as herein provided to hold said election in the office of the City Clerk for the signatures by the qualified electors of said city for two consecutive days and eight hours during each day; and the notice of said election, herein required to be published, shall specify the days and hours of the days on which said election by petition will be held and where said election will be held. If a majority of the qualified electors petitioning shall petition for the issuance of said bonds, then the Mayor and Boards of Councilmen and Aldermen, may proceed to issue, ngotiate and sell said bonds in such manner and on such terms as the said Mayor and Boards of Councilmen and Aldermen may by ordinance provide, except that said bonds shall not be sold for less than their par value. But if a majority of the qualified electors petitioning against the issuance of said bonds, then the sad bonds shall not be issued. A resolution of the Mayor and Boards of Councilmen and Aldermen and spread upon the minutes adjudging that said election has carried shall be conclusive of the fact. The proceeds derived from the sale of said bonds shall be paid over by the Treasurer of the city of Meridian as soon as received by him the treasurer of the water commission of said City and the water commission shall expend and appropriate the same in the extension, enlargement and improvement of the water works plant and system, and shall make report to the Mayor and Boards of Councilmen and Aldermen of the manner in which the same is expended and appropriated. The Mayor and Boards of Councilmen and Aldermen of the said City may issue, negotiate and sell said bonds without regard to the other indebtedness, of said city, and it is expressly declared to be the intent and meaning of this act that Section 3430 of the Annotated Code of 1906 shall not apply to sadd City, nor be any restraint in any manner whatsoever upon the said Mayor and Boards of Councilmen and aldermen of said city the issuance, negotiation and sale of said Bonds for the purposes aforesaid.

Section 2. Be it further ordained that this act shall take effect and be in force from and after its passage, approved by the Mayor, and approval by the Governor and its record as required by law.

Amendment to the Charter of Incorporation of The City of Meridian.

An Ordinance Amending the Charter of the City of Meridian, Lauderdale County, State of Mississipi, so as to Authorize the Mayor and Boards of Councilmen and Aldermen of said City to Issue Bonds to Paye and Improve certain streets of said City, and for Other Purposes.--

Whereas, The Charter of The City of Meridian, Lauderdale County, State of MiSSissippi, was amended so as to Authorize said City to levy and enforce special assessments for special improvements by an amendment approved by the Governor of the State of Mississippi, on the 27th day of June 1907; and whereas, said Mayor aNd Boards of Counsilmen and Aldermen of said City, at a regular meeting of said Boards, held on the 16th day of August, A D 1907, passed a resolution pursuant to said amendment, declaring that an improvement requiring unusual out-lay and cost in excess of the general improvement fund in the paving with some durable material to be prescribed by ordinance by said Mayor and Boards of Councilmen and Aldermen was necessary on the following streets and avenues of said City of Meridian to-wit: 22nd Avenue from 9th to 14th street; 14th Street from 22nd Avenue to 23rd Avenue; 23rd Avenue from 7th Street to 20th Street; 26th Avenue from 5th Street to 14th Street; 7th Street from 23rd Avenue to 40th Avenue; 8th Street from 22nd Avenue to 35th Avenue; 35th Avenue from 7th Street to 20th Street; 14th Street from East side of 22nd Avenue to West side 23rd Avenue; 6th Street from 21st Avenue to 16th Avenue; and 16th Avenue from 6th street to 14th Street, and 16th Street from 16th to 12th Avenue; and whereas, notice of said resolution has been published for 10 days in the Meridian Dispatch, a newspaper published in the City of Meridian, and whereas, ten days have elapsed since the passage and publication for 10 days as aforesaid, of said resolution, and whereas, a majority of the owners of the property abutting on the said streets and avenues have not filed any protest with the Clerk of the City of Meridian in writing against the paving of said streets and avenues; and whereas, pursuant to the provisions of the said Amendment of the charter of the City of Meridian, approved by the Governor on the 27th day of June 1907, the said Mayor and Boards of Councilmen and Aldermen, now have the power to cause such improvement by way of paving to be made upon the said streets and avenues, and to contract tHerefor, and to levy a special assessment of taxes therefor against the abutting property owners; and whereas, pursuant tothe provisions of the said amendment of the charter of said City, approved by the Governor on the 27th day of June, 1907, the said Mayor and Boards of Councilmen and Aldermen have authority to contribute to the cost of the making of said improvement out of the funds derived from the sale of any bonds lawfully issued for such purpose, and to apportion the balance of said cost against the abutting property to be benefitted by said improvement, xxd as provided in said Charter Amendment; and whereas, the Mayor and Boards of Councilmen and Aldermen deem it right and proper for the public at large to contribute one-fourth of the cost of the making of said improvements in said streets and avenues, and that the general public will derive a large benefit from the making of said improvements along the said streets and avenues, and whereas, theMayor and Boards of Councilmen and Aldermen have agreed to contribute one -fourth of the cost of the making of the said improvements on said streets and avenues out of such funds as may be derived from the sale of any bonds lawfully issued for such purpose; and whereas, the Mayor and Boards of Councilmen and Aldermen find that one-fourth of the cost of making said improvements will not exceed the sum of $50,000 and whereas, the Mayor and Boards of Councilmen and Aldermen believe that the welfare and progress of the city at large will be enhanced by the paving of said streets and avenues to an extent equal to said improvements not only in the comfort and convenience to the citizens at large of having said streets paved, but also in the general enhancement of property values by reason of said paving and the general stimulus and impetus that will be given to the industrial and business development of said city by reason of the paving of said streets and avenues, and by reason of the distribution of the sum of money that will be expended in the making of said improvments in the City of Meridian and whereas, the Mayor and Boards of Councilmen and Aldermen find that it is now costing the said city out of the general funds raised by taxation on all of the citizens the sum of about $3,000 per year to maintain said streets and avenues in their present condition, and whereas, the paving of said streets and avenues will save the said annual expense of maintaining the same to the City of Meridian, and whereas, by reason of the saving of said expense of maintaining said streets and avenues in their present condition and by reason of the increased property valuations in the City of Meridian, the payment of $50,000 of bonds of the city of Meridian it is believed can be provided for without any actual increase in the total tax levied by the said City;

Section. I. Now, therefore, be it ordained by the Mayor and Boards of Councilmen and Aldermen of the City of Meridian, Lauderdale County, State of Mississippi, that the Charter of the said City be, and it is hereby amended in the following particulars, to-wit: That the Mayor and Bd Boards of Councilmen and Aldermen of the said City be, and they are hereby authorized and empowered to issue, negotiate and sell thebonds of said City to an amount not exceeding the sum $x of $50,000.00 said bonds to be of the denomination of $1000.00 each, to bear interest at a rate xxxxxxxxxxxxxx to be fixed by the Mayor and Boards of Councilmen and Aldermen, not exceeding the rate of six % per annum, payable semi-annually said bonds to mature thirty years from the date of the issuance thereof, for the purpose of raising the money with which to pay one-fourth of thecot of laying and connecting a durable pavement along and upon the following streets and avenues of the said City of Meridian, to-wit:-- 22nd Avenue from 9th to 14th street; 14th street from 22nd avenue to 23rd avenue; 23rd avenue from 7th to 20th street; 26th avenue from 5th street to 14th street; 7th street from 23rd avenue to 40th avenue; 8th street from 22nd avenue to 35th avenue; 35th avenue from 7th street to 20th street; 14th street from East sided 22nd avenue to west side of 23rd avenue; 6th stret from 21st avenue to 16th avenue, and 16th avenue from 6th street to 14th street; and 14th street from 16th to 12th avenue; Before the issuance of said bonds however, the Mayor and Boards of Councilmen and Aldermon shall hold an election in the manner hereinafter prescribed to ascertain the will of the qualified electors of said City, as to whether or not said bonds shall be issued. majority of the qualified electors petitioning shall petition for the issuance of said bonds, then the Mayor and Boards of Councilmen and Aldermen may proceed to issue, negotiate and sell said bonds in such manner and on such terms as to said Mayor and Boards of Councilmen and Aldermen may by ordinance provide, except that said bonds shall not be sold for less than their par value, ~~and the said Mayor and Boards of Councilmen and Aldermen if they see fit, negotiate said bonds shall not be sold for less than their face value;~~ and the said Mayor and Boards of Councilmen and Aldermen may, if they see fit, negotiate said bonds directly to the contractors who may by contract do the work of laying and constructing said pavements on said streets, in payment of the City's one-fourth of the cost of laying and constructing said pavements, provided always taht said bonds may hot be negotated to said contractor's for less than their par value. But if a majority of the qualified electors petitioning shall petition against the issuance of said bonds then the said bonds shall not be issued. A resolution of the Mayor and Boards of Councilmen and Aldermen spread upon the minutes of the said Boards adjudging that said election has carried, shall be conslusive of said fact.

The Mayor and Boards of Councilmen and Aldermen of the said City may issue, negotiate and sell said Bonds without regard to the other indebtedness of said city: and it is expressly declared to be the true intent and meaning of this act that Section 3430 of the Annotated Code of 1906, shall not apply to said City, nor be any restraint in any manner whatever upon the said Mayor and Boards of Councilmen and Aldermen of said City in the issuance negotiation and sale of said bonds for the purpose aforesaid.

The Mayor and Boards of Councilmen and Aldermen of said City are hereby authorized and empowered to make provision for the payment of said Bonds as they may mature; and to that end, may from year to year, if necessary, levy a special tax not exceeding one-half mill on each dollar of the asseded valuation of the taxable property of the city of Meridian; which said special tax when so levied and collected shall be used exclusively in the payment of said bonds and the interest thereon.

The said Mayor and Boards of Councilmen and Aldermen shall give notice to the public for ten days by publication in a newspaper published in said city of Meridian, the time of opening said bids and awarding the contract for laying and constructing said pavement and deciding upon the material to be used in paving said streets, and avenues; and before determining on the character and kind of matrial to be used in paving said streets and avenues, shall hear and consider petitions from the citizens and tax payers as to the material to be used in the laying and constructing of the paving on all or any one of the said streets and avenues as the majority of those petitioning shall advocate; and ~~xxx~~ in determining the character and kind of material to be used in the laying and onstructing of said pavement, the said Mayor and Boards of Councilmen and Aldermen shall not be obliged to accept any particular material for said pavment simply because the bids for laying and constructing of such character of pavement may be lowest, but said Mayor and Boards of Councilmen and Aldermen are hereby authorized to take into consideration the wishes of the abutting property owners and the general public in determing the character of the pavement to be used: Provided always that in selecting the character of the material to be used in the laying and constructing of said pavement, the Mayor and Boards of Councilmen and Aldrmen shall exercise their sound discretaion and judgment and decide upon such matrial and award the contract to such contractor and on such bids as in their judgment will best subserve the welfare and interest of the people.

The within and attached amendment to the charter of the City of Meridian, Mississippi, is respectfully referred to the Honorable Attorney General for his advice and opinion as to the constitutionality and legality thereof.

EARL BREWER, Governor.

Hon Earl Brewer, Governor of Mississippi--

In regard to the matter of the application of the City of Meridian for an amendment to its charter hereto attached I beg to advise that after further consideration of the matter, this office has decided that Sec 3430 of the Code 1906 is modified and limited by Chapter 124 of the Laws of 1912 known as the Commission Form of Government. It is our opinion that inasmuch as the City of Meridian is operating under Chapter 120 Laws of 1912, that the particular amendment referred to this office for attention would not be violative of the Constitution of the United States, nor the laws of the United States, nor the Constitutionof the State of Mississippi, nor Chapter 120 of the Laws of 1912. Under Chapter 120 Laws of 1912 a new scheme is provided for all municipalities coming within the terms of said act. I am of the opinion that this act by the provisions thereof modifies Section 3430 Code of 1906 and supercedes the same to the extent of the provisions contained in this Act. I therefore respectfully refer the proposed amendment to you with this opinion thereon, for your consideration.

Lamar F Easterling, Asst Atty Genl.

State of Mississippi,

Village of Beauregard elects to accept provisions of Code Chapter.

Whereas the report of R.L.Murdock, B.F.Kelly and C.H.Teasdale, election commissioners of the village of Beauregard, submitted to this meeting shows that the special election held in the said village on the 19th day of May 1919 to determine whether the said village should come under the operation of Chapter 99 of the Mississippi Code of 1906 for the government of municipalities; shows that a majority of votes cast were in favor of the adoption of said Chapter, there being eleven votes "for the Code provisions" and none cast "against the Code provisions" and it further appears that the said election was held accodding to the requirements of the law and in pursuance to the order passed by this Board on the 6th day of May 1919, and notice of said election was given according to law and the said election was regular in all respects, be it therefore ordered that Chapter 99 of the Mississippi Code of 1906 has been and is now declared to be adopted by the village of Beauregard for its government as provided by law.

WHEREAS, by virtue of the authority vested in me under the Constitution and Laws of the State of Mississippi, and especially by virtue of Section 3311 of the Code of 1906, (Hem. Code Sec. 5808) I, as Governor of the State of Mississippi, on December 22, 1920, designated Mr. P.B.Furr of Oxford, LaFayette County, Mississippi, he being a competent person to take a correct census of the municipality of Oxford, Mississippi, by an instrument in writing to this effect, for the reason that I believed that the final census returns of the United States Government as to said municipality were fraudulent in that it purported to show and did show a larger number of persons in said municipality than the number of 2,000, when in truth and in fact, I was of the opinion that there were many less than this number of persons in said municipality, and

WHEREAS, the said P.B.Furr, by virtue of the said instrument in writing has performed his duty in taking what I deem to be a correct census of said municipality, and has filed with me an instrument, the same being a numerical list of the names of all citizens in said municipality, and has verified same by an affidavit and submitted such instrument to me as the result of his labors in taking said census, which said numerical list shows the total number of persons in said municipality to be 1807, and, therefore, the municipality of Oxford is not entitled to be classified as a city but only as a"town", and hence, should be reclassified accordingly. Therefore, I do hereby re-classify the municipality of Oxford by changing it from that of a city, as heretofore classified, to the class of a town, and it is hereby designated as a town only, under the laws of this state, and its class of a city is hereby annulled, and it shall no longer function as a city, but as a town only, and

WHEREAS, some years ago said municipality of Oxford having elected to come under the law with reference to a commission form of Government, and having come under said law as a city, and said municipality now being re-classified and designated as a town only, it is, therefore, my opinion upon the above facts, that the commissio form of Government of said municipality is at an end and it is so declared to be upon the issuance of this Proclamation. It is my opinion that said commission form of Government can no longer function and in order that the municipality may have proper officers with full and complete powers to function and to do and perform all the duties necessary to municipalities;

Now, Therefore, I, Lee M. Russell, Governor of the State of Mississippi, by virtue of the authority vested in me under the Constitution and Laws of this state, do hereby issue this my

Whereas, E. E. Cowley, Clerk of the City of Amory, has certified to me under oath as follows, to-wit:

First, that a petition was circulated by R. N. Stockton of said municipality, and presented to the said City Council, praying that an election be held to determine whether or not the city of Amory would continue under the Commission Form of Government.

Second, the said Council determined and decided that said petition was signed by more than ten percent of the qualified electors of the said city, and,

Third, the said city of Amory had been operating under Commission Form of Government for more than six years,

And, Therefore, said City Council ordered a special election to be held upon Tuesday, September 13th, 1921, and the said election was ordered to be held in accordance with law in such cases made and provided and duly entered upon the minutes of said city, and,

Whereas, there was also presented to me the certified copy of the returns of said special election and said certified returns being sworn to September 14, 1921, by J. T. Stuckey, J. R. Pruett, and D. S. Gregory, Election Commissioners, the said Commissioners certifying that the special election aforesaid was duly and legally held in said city of Amory, Mississippi, September 13, 1921, and they certified further that those voting for the Commission form of Government numbered 58 and those voting against Commission Form of Government numbered 313, all of which matters and things were duly entered upon the minutes of said city by the officers thereof.

Now, Therefore, finding that all matters and things were duly and legally done as prescribed by Chapter 120, Laws of 1912 and the amendments thereto, for the purpose of abolishing the Commission Form of Government in said city and for the further purpose of returning to that form of municipal government under which said municipality was operating before operating under what is commonly known as Commission Form of Government, I, therefore, issue this my

PROCLAMATION

declaring and proclaiming that the Commission Form of Government of the said municipality of Amory, Mississippi, shall be at an end at the time, way, and manner provided by law in such cases and shall continue to function thereafter under the General Law governing municipalities in this State.

In Testimony Whereof, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed, this the 27th day of September, A.D., 1921.

Dear Sir:-

I enclose herewith amendment to the charter of the City of Columbus. I have examined the same and I am of the opinion that it is not in conflict with the laws and constitution of the State of Mississippi, except I do not think the provisions of the ordinance providing for the mayor and city council to remove from office at their pleasure any officer appointed or elected by them are valid, but I have examined the charter of the City of Columbus and I find that this provision has been in the charter for a long, long time, and the only purpose of the present amendment is to fix the salaries as therein set out. Therefore, I think that you can consistently approve the amendment.

This was sent direct to me when it should have been sent to you. However, I have acted upon it without waiting for it to be referred to me by you.

Dear General Knox:

Faithfully yours,

Governor Theo. G.Bilbo,

Dear Governor:

A few days ago I returned to you the proposed amendment to charter of the City of McComb with the statement that, in my opinion, it could not be approved on account of the existence of Chapter 132, of the Acts of 1900, which is an act attempting to create a police court in the City of McComb.

Since I wrote you, I have conferred with the attorneys for the City of McComb, and my attention has been called to several cases bearing on this subject, especially the case of Monett, et al, V. State, 44 So. 989, in which case the supreme court of Mississippi held that Chapter 134 of the Laws of 1900, which was an act attempting

to amend the charter of the City of Meridian in the same manner that the same legislature attempted to amend the charter of the City of McComb, was unconstitutional. If Chapter 134 is unconstitutional, then I think it necessarily follows that Chapter 132 ofthe Laws of 1900 is unconstitutional and that you may disregard the same authority, and I have also examined the case of Ex Parte Dickson, 42 So. 233, involving a similar question from the City of Vicksburg, and in which case the court holds that such an amendment xxxx as is now sought by the Mayor and Selectmen of the City of McComb is correct and legal.

In view of theforegoing, I advise that, in my opinion, the charter does not violate and is consistent with the constitution and laws of the United States, and of the State of Mississippi. I therefore advise you that I approve the amendment as submitted.

Very Truly Yours,

TO WHOM THESE PRESENTS SHALL COME - - GREETING:

WHEREAS, by virtue of the authority vested in me under the Constitution and Laws of the State of Mississippi, and especially by virtue of Section 3311 of the Code of 1906, (Hem. Code Sec. 5008) I, as Governor of the State of Mississippi, on December 22, 1920, designated Mr. P.B.Parr of Oxford, Lafayet e County, Mississippi, he being a competent person to take a correct census of the municipality of Oxford, Mississippi, by an instrument in writing to this effect, for the reason that I believed that the final census returns of the United States Government as to said municipality were fraudulent in that it purported to show and did show a lesser number of persons in said municipality than the number of 2,000, when in truth and in fact, I was of the opinion that there were many less than this number of persons in said municipality, and

WHEREAS, the said P.B.Parr, by virtue of the said instrument in writing has performed his duty in taking what I deem to be a correct census of said municipality, and has filed with me an instrument, the same being a numerical list of the names of all citizens in said municipality, and has verified same by an affidavit and submitted such instrument to me as the result of his labors in taking said census, which said numerical list shows the total number of persons in said municipality to be 1907, and, therefore, the municipality of Oxford is not entitled to be classified as a city but only as a "town", and hence, should be reclassified accordingly. Therefore, I do hereby re-classify the municipality of Oxford by changing it from that of a city, as heretofore classified, to the class of a town, and it is hereby designated as a town only, under the laws of this state, and its class of a city is hereby cancelled, and it shall no longer function as a city, but as a town only, and

WHEREAS, some years ago said municipality of Oxford having elected to come under the law with reference to a commission form of Government, and having come under said law as a city, and said municipality now being re-classified and designated as a town only, it is, therefore, my opinion upon the above facts, that the commissio form of Government of said municipality is at an end and it is so declared to be upon the issuance of this proclamation. It is my opinion that said commission form of Government can no longer function and in order that the municipality may have proper officers with full and complete powers to function and to do and perform all the duties necessary to municipalities;

Now, Therefore, I, Lee M. Russell, Governor of the State of Mississippi, by virtue of the authority vested in me under the Constitution and Laws of this state, do hereby issue this my

changing the classification of the municipality of Oxford from that of the "City of Oxford" to the "Town of Oxford", and hereby designate and appoint the following qualified electors and resident citizens of said municipality as officers therein, to-wit: O.B.Boone, Mayor, Paul B. Parr, Aldorman, F.B.Patton, Aldorman, Lee Bennett, Sr., Alderman, T.A.Dunn, Alderman, and J.A.Crow, Alderman at Large, and W.P.Cumble, Marshal. Each of said officers is hereby directed to take the oath of office and execute an official bond as the law directs for each of said officers, and to take charge of the business required of each as the law directs. The former Mayor and Commissioners are hereby instructed to turn over all documents records and other property of the said municipality in their

possession to the new officers above designated, and the municipal officers of said municipality shall publish this Proclamation as the law directs in such cases. It is further ordered that the cost of taking said census by J.B.Furr be paid out of the Treasury of said municipality as the law directs.

In Testimony Whereof I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed, this the 20th day of December, A.D., 1920.

Lee M Russell

By the Governor:

Secretary of State.
