Amendment to The Charter of Incorporation of The International Ship Building Co.

To The Governor and Attorney General
of the State of Mississippi.-

Your petitioner,the International Ship Building Company,represents that it is a corporation regularly chartered and organized under the Laws of the State of Mississippi domiciled in the City of Gulfport,Harrison County,with a capital stock of Two Hundred Thousand ($200,000.00) Dollars. That said corporation was organized for the purpose of and is now engaged in building ships. That its charter as first granted on the 22nd day of March,1919 authorized the issuance of capital stock to the extend of Fifty Thousand ($50,000.00) Dollars; that it was soon ascertained that this was an insufficient capitalization and upon petition duly presented to the Governor and Attorney General,an increase of capitalization to the sum of Two Hundred Thousand ($200,000) Dollars was authorized on the 31st day of August,1919. That it has since developed that the capitalization of Two Hundred Thousand is inequate and that the capitalization should be increased to One Million ($1,000,000.00) Dollars,properly to carry on the business of ship construction contemplated in the Charter; that the Board of Directors of said Corporation on,to wit:-the 12th day of April ,1919,authorized and directed said Corporation to present this petition and ask that said Charter as first amended,be again amended so as to increase the capital stock from Two Hundred Thousand to One Million Dollars.

Wherefore to such end this petition is presented. Respectfully submitted on this, the 15th day of April,1919.
