HOUSE BILL NO. 1111

Originated in House Don Richardson Clerk

HOUSE BILL NO. 1111

AN ACT TO AMEND SECTION 47-5-901, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT A COUNTY SHALL NOT BE LIABLE FOR MEDICAL COSTS THAT EXCEED MEDICAID RATES OR RATES PAID BY THE MISSISSIPPI DEPARTMENT OF CORRECTIONS; TO PROVIDE THAT CERTAIN CONTRACTS FOR NEGOTIATED MEDICAL FEES SHALL NOT BE IMPAIRED; TO AUTHORIZE THE COMMISSIONER OF THE DEPARTMENT TO AMEND OR EXTEND CERTAIN AGREEMENTS PERTAINING TO CERTAIN FACILITIES; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 47-5-901, Mississippi Code of 1972, is amended as follows:

47-5-901. (1) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his sentence in the county jail of the county wherein such person was convicted if the Commissioner of Corrections determines that physical space is not available for confinement of such person in the state correctional institutions. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. The commissioner shall certify in writing that space is not available to the sheriff or other officer having custody of the person. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(2) If state prisoners are housed in county jails due to a lack of capacity at state correctional institutions, the Department of Corrections shall determine the cost for food and medical attention for such prisoners. The cost of feeding and

housing offenders confined in such county jails shall be based on actual costs or contract price per prisoner. In order to maximize the potential use of county jail space, the Department of Corrections is encouraged to negotiate a reasonable per day cost per prisoner, which in no event may exceed Twenty Dollars (\$20.00) per day per offender.

(3) (a) Upon vouchers submitted by the board of supervisors of any county housing persons due to lack of space at state institutions, the Department of Corrections shall pay to such county, out of any available funds, the actual cost of food, or contract price per prisoner, not to exceed Twenty Dollars (\$20.00) per day per offender, as determined under subsection (2) of this section for each day an offender is so confined beginning the day that the Department of Corrections receives a certified copy of the sentencing order and will terminate on the date on which the offender is released or otherwise removed from the custody of the county jail. The department, or its contracted medical provider, will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of negotiated discounted fee schedule, medical care service providers will be paid by the department, or its contracted medical service provider, an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. The board of supervisors of any county shall not be liable for any cost associated with medical attention for prisoners who are pretrial detainees or for prisoners who have been convicted that exceeds the Mississippi Medicaid reimbursement rate or the reimbursement provided by the Department of Corrections, whichever is greater. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications. Such payment shall be

placed in the county general fund and shall be expended only for food and medical attention for such persons.

(b) Upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay, out of any available funds, the reimbursement costs provided in paragraph (a).

(c) If the probation or parole of an offender is revoked, the additional cost of housing the offender pending the revocation hearing shall be assessed as part of the offender's court cost and shall be remitted to the department.

(4) A person, on order of the sentencing court, may serve not more than twenty-four (24) months of his sentence in a county jail if the person is classified in accordance with Section 47-5-905 and the county jail is an approved county jail for housing state inmates under federal court order. The sheriff of the county shall have the right to petition the Commissioner of Corrections to remove the inmate from the county jail. The county shall be reimbursed in accordance with subsection (2).

(5) The Attorney General of the State of Mississippi shall defend the employees of the Department of Corrections and officials and employees of political subdivisions against any action brought by any person who was committed to a county jail under the provisions of this section.

(6) This section does not create in the Department of Corrections, or its employees or agents, any new liability, express or implied, nor shall it create in the Department of Corrections any administrative authority or responsibility for the construction, funding, administration or operation of county or other local jails or other places of confinement which are not staffed and operated on a full-time basis by the Department of Corrections. The correctional system under the jurisdiction of the Department of Corrections shall include only those facilities

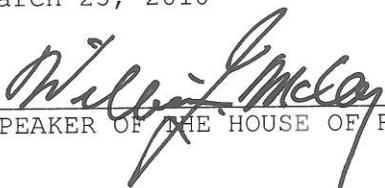

fully staffed by the Department of Corrections and operated by it on a full-time basis.

(7) An offender returned to a county for post-conviction proceedings shall be subject to the provisions of Section 99-19-42 and the county shall not receive the per day allotment for such offender after the time prescribed for returning the offender to the Department of Corrections as provided in Section 99-19-42.

SECTION 2. In order for the Mississippi Department of Corrections to manage funds budgeted and allocated in its Contractual Services budget category, the commissioner of the department shall have the authority to amend, extend and/or renew the term of any lease agreement or any inmate housing agreement in connection with a private correctional facility. Notwithstanding any statutory limits to the contrary, such amendment, extension and/or renewal may be for a length of time up to and including ten (10) years as is necessary for the continued operations of such facilities and implementation of the department's duties and responsibilities in accordance with Title 47 of the Mississippi Code of 1972, as amended.

SECTION 3. This act shall take effect and be in force from and after its passage.
