BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

23-15-359. (1) The ballot shall contain the names of all party nominees certified by the appropriate executive committee, and independent and special election candidates who have timely filed petitions containing the required signatures. A petition requesting that an independent or special election candidate's name be placed on the ballot for any office shall be filed as provided for in subsection (3) or (4) of this section, as

(a) For an office elected by the state at large, not less than one thousand (1,000) qualified electors.

(b) For an office elected by the qualified electors of a Supreme Court district, not less than three hundred (300) qualified electors.

(c) For an office elected by the qualified electors of a congressional district, not less than two hundred (200) qualified electors.

(d) For an office elected by the qualified electors of a circuit or chancery court district, not less than one hundred (100) qualified electors.

(e) For an office elected by the qualified electors of a senatorial or representative district, not less than fifty (50) qualified electors.

(f) For an office elected by the qualified electors of a county, not less than fifty (50) qualified electors.

(g) For an office elected by the qualified electors of a supervisors district or justice court district, not less than fifteen (15) qualified electors.

(2) (a) Unless the petition required above shall be filed as provided for in subsection (3) or (4) of this section, as appropriate, the name of the person requested to be a candidate, unless nominated by a political party, shall not be placed upon the ballot. The ballot shall contain the names of each candidate for each office, and such names shall be listed under the name of the political party such candidate represents as provided by law and as certified to the circuit clerk by the state executive committee of such political party. In the event such candidate qualifies as an independent as provided in this section, he shall be listed on the ballot as an independent candidate.

(b) The name of an independent or special election candidate who dies before the printing of the ballots, shall not be placed on the ballots.

(3) Petitions for offices described in paragraphs (a), (b), (c), (d) and (e) of subsection (1) of this section * * * shall be filed with the State Board of Election Commissioners by no later than 5:00 p.m. on the same date by which candidates for nominations in the political party primary elections are required to pay the fee provided for in Section 23-15-297, Mississippi Code of 1972; however, no petition may be filed before January 1 of the year in which the election for the office is held.

(4) Petitions for offices described in paragraphs (f) and (g) of subsection (1) of this section * * * shall be filed with the proper circuit clerk by no later than 5:00 p.m. on the same date by which candidates for nominations in the political party elections are required to pay the fee provided for in Section 23-15-297; however, no petition may be filed before January 1 of the year in which the election for the office is held. The circuit clerk shall notify the county commissioners of election of all persons who have filed petitions with such clerk. Such notification shall occur within two (2) business days and shall contain all necessary information.

(5) The commissioners may also have printed upon the ballot any local issue election matter that is authorized to be held on the same date as the regular or general election pursuant to Section 23-15-375; however, the ballot form of such local issue must be filed with the commissioners of election by the appropriate governing authority not less than sixty (60) days previous to the date of the election.

(6) The provisions of this section shall not apply to municipal elections or to the election of the offices of justice of the Supreme Court, judge of the Court of Appeals, circuit judge, chancellor, county court judge and family court judge.

(7) Nothing in this section shall prohibit special elections to fill vacancies in either house of the Legislature from being held as provided in Section 23-15-851. In all elections conducted under the provisions of Section 23-15-851, there shall be printed on the ballot the name of any candidate who, not having been nominated by a political party, shall have been requested to be a candidate for any office by a petition filed with the State Board of Election Commissioners * * * and signed by not less than fifty (50) qualified electors.

(8) The appropriate election commission shall determine whether each candidate is a qualified elector of the state, state district, county or county district they seek to serve, and whether each candidate meets all other qualifications to hold the office he is seeking or presents absolute proof that he will, subject to no contingencies, meet all qualifications on or before the date of the general or special election at which he could be elected to office. The election commission shall determine whether the candidate has taken the steps necessary to qualify for more than one (1) office at the election. The election commission also shall determine whether any candidate has been convicted of any felony in a court of this state, or has been convicted on or after December 8, 1992, of any offense in another state which is a felony under the laws of this state, or has been convicted of any felony in a federal court on or after December 8, 1992. Excepted from the above are convictions of manslaughter and violations of the United States Internal Revenue Code or any violations of the tax laws of this state, unless the offense also involved misuse or abuse of his office or money coming into his hands by virtue of his office. If the appropriate election commission finds that a candidate either (a) is not a qualified elector, (b) does not meet all qualifications to hold the office he seeks and fails to provide absolute proof, subject to no contingencies, that he will meet the qualifications on or before the date of the general or

special election at which he could be elected, or (c) has been convicted of a felony as described in this subsection, and not pardoned, then the name of such candidate shall not be placed upon the ballot. If the appropriate election commission determines that the candidate has taken the steps necessary to qualify for more than one (1) office at the election, the action required by Section 23-15-905, shall be taken.

(9) If after the deadline to qualify as a candidate for an office or after the time for holding any party primary for an office, there shall be only one (1) person who has duly qualified to be a candidate for the office in the general election, the name of such person shall be placed on the ballot; provided, however, that if there shall be not more than one (1) person duly qualified to be a candidate for each office on the general election ballot, the election for all offices on the ballot shall be dispensed with and the appropriate election commission shall declare each candidate elected without opposition if the candidate meets all the qualifications to hold the office as determined pursuant to a review by the commission in accordance with the provisions of subsection (8) of this section and if the candidate has filed all required campaign finance disclosure reports as required by Section 23-15-807.

(10) The petition required by this section may not be filed by using the Internet.

SECTION 3. Section 23-15-597, Mississippi Code of 1972, is amended as follows:

23-15-597. (1) The county executive committee shall meet on the first or second day after each primary election, shall receive and canvass the returns which must be made within the time fixed by law for returns of general elections and declare the result, and announce the name of the nominees for county and county district offices * * * and the names of those candidates to be submitted to the second primary. The vote for state, state

district offices and legislative offices * * * shall be tabulated by precincts and certified to and returned to the state executive committee, such returns to be mailed by registered letter or any safe mode of transmission within thirty-six (36) hours after the returns are canvassed and the result ascertained. The state executive committee shall meet a week from the day following the first primary election held for state, state district offices and legislative offices * * *, and shall proceed to canvass the returns and to declare the result, and announce the names of those nominated for the different offices in the first primary and the names of those candidates whose names are to be submitted to the second primary election. The state executive committee shall also meet a week from the day on which the second primary election was held and receive and canvass the returns for state and district offices, if any, and legislative offices * * *, if any, voted on in such second primary. An exact and full duplicate of all tabulations by precincts as certified under this section shall be filed with the circuit clerk of the county who shall safely preserve the same in his office.

(2) (a) If it is eligible under Section 23-15-266, the county executive committee may enter into a written agreement with the circuit clerk or the county election commission authorizing the circuit clerk or the county election commission to perform any of the duties required of the county executive committee pursuant to this section. Any agreement entered into pursuant to this subsection shall be signed by the chairman of the county executive committee and the circuit clerk or the chairman of the county election commission, as appropriate. The county executive committee shall notify the state executive committee and the Secretary of State of the existence of such agreement.

(b) If it is eligible under Section 23-15-266, the municipal executive committee may enter into a written agreement with the municipal clerk or the municipal election commission

authorizing the municipal clerk or the municipal election commission to perform any of the duties required of the municipal executive committee pursuant to this section. Any agreement entered into pursuant to this subsection shall be signed by the chairman of the municipal executive committee and the municipal clerk or the chairman of the municipal election commission, as appropriate. The municipal executive committee shall notify the state executive committee and the Secretary of State of the existence of such agreement.

SECTION 4. The Attorney General of the State of Mississippi shall submit this act, immediately upon approval by the Governor, or upon approval by the Legislature subsequent to a veto, to the Attorney General of the United States or to the United States District Court for the District of Columbia in accordance with the provisions of the Voting Rights Act of 1965, as amended and extended.

SECTION 5. This act shall take effect and be in force from and after the date it is effectuated under Section 5 of the Voting Rights Act of 1965, as amended and extended.
