With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to

make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2012 do not exceed Fiscal Year 2011 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2011 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to insure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2011 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2011 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Unless otherwise authorized in this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation, reclassification, realignment, educational benchmark, career ladder, equity salary adjustment, or any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the award of teacher salary increments; the advancement of a trainee/cadet to the next level of a bona fide career ladder; the award of an educational benchmark for the attainment of a Certified Public Accountant License or higher level professional certification based on information provided to the State Personnel Board by the Legislative Budget Office; the immediate replacement of a departing employee with an employee from within state service

at a salary level of the departing employee or the Fiscal Year 2011 promotional formula, whichever is less; the emergency appointment of nurses, pharmacists or other health care and child protection professionals at a salary to be determined by the State Personnel Board; or a new hire associated with the American Recovery and Reinvestment Act of 2009. All positions supported by funds available through the American Recovery and Reinvestment Act of 2009 shall be designated as time-limited positions.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 3. No operation, maintenance or service contracts, agreements or obligations for commodities, concessions, or catering services, shall be entered into or renewed by this agency for a period of more than three (3) years nor unless said contracts, agreements or obligations have been made in accordance with Sections 31-7-11, 31-7-13, 31-7-55 and 31-7-57, Mississippi Code of 1972.

SECTION 4. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind

shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 5. It is the intention of the Legislature that the Mississippi Fair Commission shall have the authority to escalate its budget and expend funds from any source not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000.00) in accordance with rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

SECTION 6. It is legislative intent to ensure beneficial information reaches as many Mississippians as possible. Further, it is legislative intent that the expenditure of public funds for this purpose be accomplished in an efficient and effective manner.

Therefore, state agencies as standard procedure, will observe the following criteria:

(a) Develop goals and desired result for a campaign.

(b) Evaluate effectiveness through respected advertising standards, including market reach and cost effectiveness.

(c) Seek public service announcements, which would be aired by media without cost.

(d) Itemize and justify professional assistance and related expenses for creative and production costs outside of the actual media expenditures.

(e) Utilize Mississippi owned media companies when feasible.

SECTION 7. Of the funds provided within this act, no former employee who is receiving State of Mississippi retirement benefits shall be hired under contract for an amount exceeding Twenty Thousand Dollars (\$20,000.00) a year without prior approval by an agency's proper governing board or authority. Upon approval of such contracts a written report shall be submitted detailing the

cost and need of contract services to the Chairmen and members of the Senate and House Appropriation Committees.

SECTION 8. It is the intention of the Legislature that the agency shall compile cell phone usage records of any cellular phone (wireless communication device) that is assigned, issued or made available to any officer or employee in accordance with Section 25-53-191, Mississippi Code of 1972, and these records shall be made publicly available at the expense of the agency.

SECTION 9. It is the intention of the Legislature that this agency shall have the authority to receive, budget and expend funds from any source that may become available to them as a result of the passage of the American Recovery and Reinvestment Act of 2009 in accordance with the rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

The Executive Director of the Department of Finance and Administration shall have the authority to approve escalations of funds and employee positions using funds from any source available due to the passage of the American Recovery and Reinvestment Act of 2009.

The Executive Director of the Department of Finance and Administration shall immediately send notice of the approval of such budget escalation to the House of Representatives Appropriations Committee, the Senate Appropriations Committee and the Legislative Budget Office. Within fifteen (15) days of such approval, the Executive Director of the Department of Finance and Administration shall ensure that the Legislative Budget Office receives detailed and accurate information about the amount and use of federal and special source funds by state agencies as a result of the passage of the American Recovery and Reinvestment Act of 2009.

SECTION 10. It is the intention of the Legislature that the Mississippi Fair Commission shall have the authority to advertise,

bid and enter into multi-year contracts for the purpose of renting or leasing to such entity the right to place a sign on such property under the Commission's domain, in accordance with any such rules and regulations of the Bureau of Buildings. All proceeds generated from these activities shall remain with the Commission and shall be deposited into the proper special fund for the purpose of marketing and the support of youth livestock shows. Further, such funds shall be escalated in accordance with procedures for federal fund escalations as established in Section 27-104-21, Mississippi Code of 1972, and expended for the purposes of performing such duties as set forth by law in accordance with applicable rules and regulations of the State Fiscal Officer.

SECTION 11. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.

SECTION 12. This act shall take effect and be in force from and after July 1, 2010.
