(iv) The borrower must demonstrate ability to repay the loan.

(v) The borrower must not be in default of any previous loan from the state or federal government.

(vi) Loan proceeds may be used for financing all project costs associated with development or expansion of a new small business, including fixed assets, working capital, start-up

costs, rental payments, interest expense during construction and professional fees related to the project.

(vii) Loan proceeds shall not be used to pay off existing debt for loan consolidation purposes; to finance the acquisition, construction, improvement or operation of real property which is to be held primarily for sale or investment; to provide for, or free funds, for speculation in any kind of property; or as a loan to owners, partners or stockholders of the applicant which do not change ownership interest by the applicant. However, this does not apply to ordinary compensation for services rendered in the course of business.

(viii) The maximum amount that may be loaned to any one (1) borrower shall be Two Hundred Fifty Thousand Dollars (\$250,000.00).

(ix) The Mississippi Development Authority shall review each loan before it is made, and no loan shall be made to any borrower until the loan has been reviewed and approved by the Mississippi Development Authority.

(b) For the purpose of this subsection, the term "minority business enterprise" means a socially and economically disadvantaged small business concern, organized for profit, performing a commercially useful function which is owned and controlled by one or more minorities or minority business enterprises certified by the Mississippi Development Authority, at least fifty percent (50%) of whom are resident citizens of the State of Mississippi. Except as otherwise provided, for purposes of this subsection, the term "socially and economically disadvantaged small business concern" shall have the meaning ascribed to such term under the Small Business Act (15 USCS, Section 637(a)), or women, and the term "owned and controlled" means a business in which one or more minorities or minority business enterprises certified by the Mississippi Development Authority own sixty percent (60%) or, in the case of a

(c) Notwithstanding any other provision of this subsection to the contrary, if federal funds are not available for commitments made by a planning and development district to provide assistance under any federal loan program administered by the planning and development district in coordination with the Appalachian Regional Commission or Economic Development Administration, or both, a planning and development district may use funds in its loan revolving fund, which have not been committed otherwise to provide assistance, for the purpose of providing temporary funding for such commitments. If a planning and development district uses uncommitted funds in its loan revolving fund to provide such temporary funding, the district shall use funds repaid to the district under the temporarily funded federal loan program to replenish the funds used to provide the temporary funding. Funds used by a planning and development district to provide temporary funding under this paragraph (c) must be repaid to the district's loan revolving fund no later than twelve (12) months after the date the district provides the temporary funding. A planning and development district may not use uncommitted funds in its loan revolving fund to provide

temporary funding under this paragraph (c) on more than two (2) occasions during a calendar year. A planning and development district may provide temporary funding for multiple commitments on each such occasion. If the Mississippi Development Authority determines, after notifying such planning and development district or qualified entity twice in writing and providing such planning and development district or qualified entity a reasonable opportunity to comply, that a planning and development district or qualified entity has consistently failed to comply with this subsection, the Mississippi Development Authority may declare such planning and development district or qualified entity in default under this subsection and, upon receipt of notice thereof from the Mississippi Development Authority, such planning and development district or qualified entity shall immediately cease providing loans under this subsection, shall refund to the Mississippi Development Authority for distribution to other planning and development districts or qualified entities all funds held in its revolving loan fund and, if required by the Mississippi Development Authority, shall convey to the Mississippi Development

Authority all administrative and management control of loans provided by it under this subsection.

(e) If the Mississippi Development Authority determines, after notifying a planning and development district or qualified entity twice in writing and providing copies of such notification to each member of the Legislature in whose district or in a part of whose district such planning and development district or qualified entity is located and providing such planning and development district or qualified entity a reasonable opportunity to take corrective action, that a planning and development district or qualified entity administering a revolving loan fund under the provisions of this subsection is not actively engaged in lending as defined by the rules and regulations of the Mississippi Development Authority, the Mississippi Development Authority may declare such planning and development district or qualified entity in default under this subsection and, upon receipt of notice thereof from the Mississippi Development Authority, such planning and development district or qualified entity shall immediately cease providing loans under this subsection, shall refund to the Mississippi Development Authority for distribution to other planning and development districts or qualified entities all funds held in its revolving loan fund and, if required by the Mississippi Development Authority, shall convey to the Mississippi Development Authority all administrative and management control of loans provided by it under this subsection.
