BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 29-3-41, Mississippi Code of 1972, is amended as follows:

29-3-41. After any parcels of sixteenth section lands have been classified as hereinabove provided, all land which has been classified as forest land and which is not now under lease shall hereafter not be leased. The lands classified as forest lands which may be under a lease that has a fixed date of expiration shall not be re-leased when said lease expires; nor shall the lessee be permitted to cut or remove any timber therefrom except according to the terms of his lease. Such lands shall be reserved and kept as forest lands. Provided further, that the mineral rights in all such lands may be leased for oil, gas, or mineral purposes, and the board of education may grant leases to the surface of said lands classified as forest, which are limited to hunting and fishing rights and activities in relation thereto, and which shall not extend for a period longer than fifteen (15) years. It shall be the duty of the board of education to lease said hunting and fishing rights at public contract after having advertised same for rent in a newspaper published in said county or, if no newspaper be published in said county, then in a newspaper having a general circulation therein, for two (2) successive weeks, the first being at least ten (10) days prior to

said public contract. Said hunting and fishing rights shall be leased to the person offering the highest annual rental. Bids received by the board of education in response to the advertisement shall be opened at a regular or special meeting of the board. The board of education, at its option, may reject all bids or accept the highest and best bid received in response to the advertisement, or the board of education may hold an auction among those who submitted bids in response to the advertisement, provided that three (3) or more persons who submitted bids in response to the advertisement participate in the auction. The opening bid at the auction shall be the highest bid received in response to the advertisement. Provided that if the board of education receives an acceptable bid or elects to hold an auction, the most recent holder of said hunting and fishing rights if it shall have made an offer, shall have the final right to extend its lease for the term advertised at the annual rental equal to said highest offer received by the board of education, or equal to the highest bid offered at the auction, as the case may be.

If no bid acceptable to the board of education is received after said advertisement, the board of education may, within ninety (90) days, lease same by private contract for an amount greater than the highest bid previously rejected. If the board of education determines to lease the land by private contract, the most recent holder of said hunting and fishing rights, if it shall have made an offer, shall have the final right to extend its lease on the same terms and conditions as those contained in the private contract proposed to be accepted by the board of education.

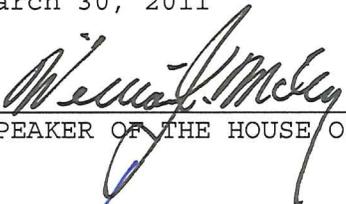

SECTION 2. This act shall take effect and be in force from
and after July 1, 2011.
