HOUSE BILL NO. 1465

AN ACT APPROVING THE EXPENDITURE OF SPECIAL FUNDS FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE TOMBIGBEE RIVER VALLEY WATER MANAGEMENT DISTRICT FOR THE FISCAL YEAR 2012.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

**SECTION 1.** The following sum, or so much thereof as may be necessary, is hereby authorized and approved for expenditure out of any funds which are received by or otherwise become available to the Tombigbee River Valley Water Management District, for the purpose of paying bond maturities, accrued interest, maintenance expenses, project development costs, and any other authorized expenses of the water management district, for the fiscal year beginning July 1, 2011, and ending June 30, 2012 .....  
..... \$ 7,904,974.00.

**SECTION 2.** Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time .....	18
	Part Time .....	0
Time-Limited:	Full Time .....	0
	Part Time .....	0

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2013 do not exceed Fiscal Year 2012 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2012 budget by the Mississippi Legislature. Based on data provided by the

Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2012 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2012 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

**SECTION 3.** It is the intention of the Legislature that the Tombigbee River Valley Water Management District shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as

maintained for Fiscal Year 2011. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2013 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2012 budget request process.

**SECTION 4.** It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

**SECTION 5.** It is the intention of the Legislature that the agency shall compile cell phone usage records of any cellular phone (wireless communication device) that is assigned, issued or made available to any officer or employee in accordance with Section 25-53-191, Mississippi Code of 1972, and these records shall be made publicly available at the expense of the agency.

**SECTION 6.** It is legislative intent to ensure beneficial information reaches as many Mississippians as possible. Further, it is legislative intent that the expenditure of public funds for this purpose be accomplished in an efficient and effective manner.

Therefore, state agencies as standard procedure will observe the following criteria:

- (a) Develop goals and desired result for a campaign.
- (b) Evaluate effectiveness through respected advertising standards, including market reach and cost effectiveness.
- (c) Seek public service announcements, which would be aired by media without cost.

(d) Itemize and justify professional assistance and related expenses for creative and production costs outside of the actual media expenditures.

(e) Utilize Mississippi-owned media companies when feasible.

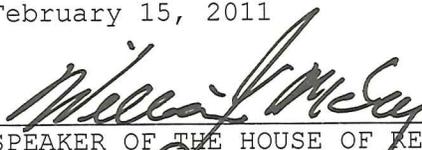

**SECTION 7.** No former employee who is receiving State of Mississippi retirement benefits shall be hired under contract for an amount exceeding Twenty Thousand Dollars (\$20,000.00) a year without prior approval by an agency's proper governing board or authority. Upon approval of such contracts, a written report shall be submitted detailing the cost and need of such contract services to the Chairmen and members of the Senate and House Appropriations Committees.

**SECTION 8.** All monies in possession of the district in excess of necessary operating funds shall be deposited with a bank or banks selected by the board of directors of the district. These funds shall be deposited in such bank or banks and in such manner that interest earned shall be at least equal to interest earnings on state funds deposited by the State Treasury.

**SECTION 9.** The money herein approved for expenditure shall be disbursed upon bank checks signed by the proper person, officer or officers, in the manner provided by law.

**SECTION 10.** This act shall take effect and be in force from and after July 1, 2011.
