AN ACT MAKING AN APPROPRIATION TO THE DEPARTMENT OF REHABILITATION SERVICES FOR FISCAL YEAR 2012.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

The Office of Vocational Rehabilitation for the Blind shall remain accredited by using not more than Five Hundred Dollars (\$500.00) of the funds appropriated along with matching funds for payment of fees to an accreditation agency recommended by the Rehabilitation Services Administration.

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2013 do not exceed Fiscal Year 2012 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2012 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2012 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2012 "Personal Services" appropriated level, when annualized, then only those actions which

reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 5. It is the intention of the Legislature that the Department of Rehabilitation Services shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2011. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2013 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2012 budget request process.

SECTION 6. It shall be unlawful for any officer, employee or other person whatsoever to use or permit or authorize the use of any automobile or any other motor vehicle owned by the State of Mississippi or any department, agency or institution thereof for any purpose other than upon the official business of the State of Mississippi or any agency, department or institution thereof.

It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.
