AN ACT MAKING AN APPROPRIATION TO THE DEPARTMENT OF HUMAN SERVICES; AND FOR RELATED PURPOSES, FOR THE FISCAL YEAR 2013.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, to the Department of Human Services for the fiscal year beginning July 1, 2012, and ending June 30, 2013 \$ 129,821,140.00.

SECTION 2. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in any special fund in the State Treasury to the credit of the Department of Human Services which is comprised of special source funds collected by or otherwise available to the department for the support of the various divisions of the department, for the purpose of defraying the expenses of the department for the fiscal year beginning July 1, 2012, and ending June 30, 2013 \$ 745,162,932.00.

SECTION 3. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Department of Human Services that are authorized by the Mississippi Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

AUTHORIZED POSITIONS:

Permanent: Full Time 2,989

Part Time	1
Time-Limited: Full Time	820
Part Time	0

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2014 do not exceed Fiscal Year 2013 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2013 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2013 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2013 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions

without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

Notwithstanding the above language in this section, the Department of Human Services may restructure and reorganize the Division of Family and Children's Services in order to satisfy the requirements outlined in the settlement agreement, judicial mandates or court orders of the Olivia Y lawsuit.

SECTION 5. It is the intention of the Legislature that the Department of Human Services shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2012. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2014 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2013 budget request process.

SECTION 6. The Department of Health shall make a complete accounting to the Department of Human Services detailing the uses of these funds in accordance with federal and state regulations.

SECTION 7. None of the above funds shall be used to hire employees under Personal Service Contracts except for Personal Service Contracts for the Division of Early Childhood Care and

Development - Child Care and Division of Early Childhood Care and Development - Child Care Managers.

SECTION 8. The department is authorized to escalate, budget and expend special and/or federal funds received from any source to carry out the duties of the department in an amount not to exceed Twenty Million Dollars (\$20,000,000.00). Such funds are to be escalated in accordance with procedures for federal fund escalations as established in Section 27-104-21, Mississippi Code of 1972, and expended for the purposes of performing such duties as set forth by law in accordance with applicable rules and regulations of the State Fiscal Officer.

SECTION 9. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 10. The Department of Human Services is authorized to expend available funds on technology or equipment upgrades or replacements when it will generate savings through efficiency or when the savings generated from such upgrades or replacements exceed expenditures thereof.

SECTION 11. It is the intention of the Legislature that none of the funds provided herein shall be used to pay certain utilities for state furnished housing for any employees. Such utilities shall include electricity, natural gas, butane, propane, cable and phone services. Where actual cost cannot be determined, the agency shall be required to provide meters to be in compliance with legislative intent.
