(2) Every scrap metal dealer or other purchaser shall keep an accurate and legible record in which he shall enter the following information for each purchase transaction:

Such records shall be maintained by the scrap metal dealer or purchaser for not less than two (2) years from the date of the purchase transaction, and such records shall be made available to any law enforcement officer during usual and customary business hours.

(3) The purchaser of metal property must hold the metal property separate and identifiable from other purchases for not less than three (3) business days from the date of purchase. The purchaser shall also photographically capture the metal property in the same form, without change, in which the metal property was acquired, and maintain the photograph for a period of not less than two (2) years. The time and date shall be digitally recorded on the photograph, and the identity of the person taking the photograph shall be recorded. The purchaser shall permit any law enforcement officer to make an inspection of the metal property during the holding period, and of all photographs of the metal property. Any photograph of metal property taken and maintained pursuant to this subsection shall be admissible in any civil or criminal proceeding.

(4) During the usual and customary business hours of a scrap metal dealer or other purchaser, a law enforcement officer, after proper identification as a law enforcement officer, shall have the

right to inspect all purchased metal property in the possession of the scrap metal dealer or purchaser.

(5) (a) Whenever a law enforcement officer has reasonable cause to believe that any item of metal property in the possession of a scrap metal dealer or other purchaser has been stolen, a law enforcement officer who has an affidavit from the alleged rightful owner of the property identifying the property with specificity, including any identifying markings, may issue and deliver a written hold notice to the scrap metal dealer or other purchaser. The hold notice shall specifically identify those items of metal property that are believed to have been stolen and that are subject to the hold notice. Upon receipt of the notice, the scrap metal dealer or other purchaser may not process or remove the metal property identified in the notice from the place of business of the scrap metal dealer or purchaser for fifteen (15) calendar days after receipt of the notice, unless sooner released by a law enforcement officer.

(b) No later than the expiration of the fifteen-day period, a law enforcement officer, after receiving additional substantive evidence beyond the initial affidavit, may issue and deliver a second written hold notice, which shall be an extended hold notice. The extended hold notice shall specifically identify those items of metal property that are believed to have been stolen and that are subject to the extended hold notice. Upon receipt of the extended hold notice, the scrap metal dealer or purchaser may not process or remove the items of metal property identified in the notice from the place of business of the scrap metal dealer or purchaser for fifteen (15) calendar days after receipt of the extended hold notice, unless sooner released by a law enforcement officer.

(c) At the expiration of the hold period or, if extended in accordance with this subsection, at the expiration of the extended hold period, the hold is automatically released, then

the scrap metal dealer or purchaser may dispose of the metal property unless other disposition has been ordered by a court of competent jurisdiction.

(d) If the scrap metal dealer or other purchaser contests the identification or ownership of the metal property, the party other than the scrap metal dealer or other purchaser claiming ownership of any metal property in the possession of a scrap metal dealer or other purchaser, provided that a timely report of the theft of the metal property was made to the proper authorities, may bring a civil action in the circuit court of the county in which the scrap metal dealer or purchaser is located. The petition for the action shall include the means of identification of the metal property utilized by the petitioner to determine ownership of the metal property in the possession of the scrap metal dealer or other purchaser.

(e) When a lawful owner recovers stolen metal property from a scrap metal dealer or other purchaser who has complied with this section, and the person who sold the metal property to the scrap metal dealer or other purchaser is convicted of a violation of this section, or theft by receiving stolen property under Section 97-17-70, the court shall order the convicted person to make full restitution to the scrap metal dealer or other purchaser, including, without limitation, attorney's fees, court costs and other expenses.

(6) This section shall not apply to purchases of metal property from any of the following:

(a) A law enforcement officer acting in an official capacity;

(b) A trustee in bankruptcy, executor, administrator or receiver who has presented proof of such status to the scrap metal dealer;

(c) Any public official acting under a court order who has presented proof of such status to the scrap metal dealer;

(d) A sale on the execution, or by virtue of any process issued by a court, if proof thereof has been presented to the scrap metal dealer; or

(e) A manufacturing, industrial or other commercial vendor that generates or sells regulated metal property in the ordinary course of its business.

(7) It shall be unlawful for any person to give a false statement of ownership or to give a false or altered identification or vehicle tag number and receive money or other consideration from a scrap metal dealer or other purchaser in return for metal property.

(8) A scrap metal dealer or other purchaser shall not enter into any cash transactions in payment for the purchase of metal property. Payment shall be made by check issued to the seller of the metal, made payable to the name and address of the seller and mailed to the recorded address of the seller, or by electronic funds transfer. Payment shall not be made for a period of three (3) days after the purchase transaction.

(9) If a person acquiring metal property fails to maintain the records or to hold such materials for the period of time prescribed by this section, such failure shall be prima facie evidence that the person receiving the metal property received it knowing it to be stolen in violation of Section 97-17-70.

(10) It shall be unlawful for any person to transport or cause to be transported for himself or another from any point within this state to any point outside this state any metal property, unless the person or entity first reports to the sheriff of the county from which he departs this state transporting such materials the same information that a purchaser in this state would be required to obtain and keep in a record as set forth in subsection (2) of this section. In such a case the sheriff receiving the report shall keep the information in records maintained in his office as a public record available for

inspection by any person at all reasonable times. This section shall not apply to a public utility, as that term is defined in Section 77-3-3, engaged in carrying on utility operations; to a railroad, as that term is defined in Section 77-9-5; to a communication service provider, whether wireless or wire line; to a scrap metal dealer; or to a person identified in subsection (6) as being exempt from the provisions of this section.

(11) It shall be unlawful for a scrap metal dealer or other purchaser to knowingly purchase or possess a metal beer keg, or a metal syrup tank generally used by the soft drink industry, whether damaged or undamaged, or any reasonably recognizable part thereof, on any premises that the dealer uses to buy, sell, store, shred, melt, cut or otherwise alter scrap metal. However, it shall not be unlawful to purchase or possess a metal syrup tank generally used by the soft drink industry if the scrap metal dealer or other purchaser obtains a bill of sale at the time of purchase from a seller if the seller is a manufacturer of such tanks, a soft drink company or a soft drink distributor.

(12) It shall be unlawful to sell to a scrap metal dealer any bronze vase and/or marker, memorial, statue, plaque, or other bronze object used at a cemetery or other location where deceased persons are interred or memorialized, or for any such dealer to purchase those objects, unless the source of the bronze is known and notice is provided to the municipal or county law enforcement agency where the dealer is located. The notice shall identify all names, letters, dates and symbols on the bronze and a photograph of the bronze shall be attached thereto. Written permission from the cemetery and the appropriate law enforcement agency must be received before any type of bronze described in this subsection may be purchased, processed, sold or melted.

(13) <u>It shall be unlawful for any scrap metal dealer to purchase any manhole cover and other similar types of utility access covers, including storm drain covers, or any metal property</u>

clearly identified as belonging to a political subdivision of the state or a municipality, unless that metal property is purchased from the political subdivision, the municipal utility or the manufacturer of the metal. Any purchaser who purchases metal property in bulk shall be allowed twenty-four (24) hours to determine if any metal property prohibited by this subsection is included in a bulk purchase. If such prohibited metal property is included in a bulk purchase, the purchaser shall notify law enforcement no later than twenty-four (24) hours after the purchase.

(14) It shall be unlawful for a scrap metal dealer or other purchaser to purchase metal property from a person younger than eighteen (18) years of age.

(15) Metal property may not be purchased, acquired or collected between the hours of 9:00 p.m. and 6:00 a.m.

(16) Except as provided in this subsection, any person willfully or knowingly violating the provisions of this section shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not to exceed One Thousand Dollars ($1,000.00) per offense, unless the purchase transaction or transactions related to the violation, in addition to any costs which are, or would be, incurred in repairing or in the attempt to recover any property damaged in the theft of or removal of the metal property, are in aggregate an amount which exceeds Five Hundred Dollars ($500.00), in which case the person shall be guilty of a felony and shall be imprisoned in the custody of the Department of Corrections for a term not to exceed ten (10) years, fined not more than Ten Thousand Dollars ($10,000.00), or both. Any person found guilty of stealing metal property or receiving metal property, knowing it to be stolen in violation of Section 97-17-70, shall be ordered to make full restitution to the victim, including, without limitation, restitution for property damage that resulted from the theft of the property.

(17) This section shall not be construed to repeal other criminal laws. Whenever conduct proscribed by any provision of this section is also proscribed by any other provision of law, the provision which carries the more serious penalty shall be applied.

(18) This section shall apply to all businesses regulated under this section without regard to the location within the State of Mississippi.

(19) This section shall not be construed to prohibit municipalities and counties from enacting and implementing ordinances, rules and regulations that impose stricter requirements relating to purchase transactions.
