Originated in House  Clerk

HOUSE BILL NO. 1268

AN ACT TO AMEND SECTION 93-17-3, MISSISSIPPI CODE OF 1972, TO REQUIRE A HOME STUDY BEFORE A PERSON MAY BE PLACED IN THE HOME OF PROSPECTIVE ADOPTING PARTIES; TO REQUIRE COMPLIANCE WITH THE INTERSTATE COMPACT FOR PLACEMENT OF CHILDREN AND THE INDIAN CHILD WELFARE ACT; TO AMEND SECTION 93-17-205, MISSISSIPPI CODE OF 1972, TO REVISE ADOPTION RECORDS REQUIREMENTS; TO AUTHORIZE THE FILING OF A PETITION WITH THE SECRETARY OF STATE ALONG WITH PAYMENT OF A FEE; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 93-17-3, Mississippi Code of 1972, is amended as follows:

93-17-3. (1) Except as otherwise provided in subsections (2) and (3), a court of this state has jurisdiction over a proceeding for the adoption of a minor commenced under this chapter if:

(a) Immediately before commencement of the proceeding, the minor lived in this state with a parent, a guardian, a prospective adoptive parent or another person acting as parent, for at least six (6) consecutive months, excluding periods of temporary absence, or, in the case of a minor under six (6) months of age, lived in this state from soon after birth with any of those individuals and there is available in this state substantial evidence concerning the minor's present or future care;

(b) Immediately before commencement of the proceeding, the prospective adoptive parent lived in this state for at least six (6) consecutive months, excluding periods of temporary absence, and there is available in this state substantial evidence concerning the minor's present or future care;

(c) The agency that placed the minor for adoption is licensed in this state and it is in the best interest of the minor that a court of this state assume jurisdiction because:

(i) The minor and the minor's parents, or the minor and the prospective adoptive parent, have a significant connection with this state; and

(ii) There is available in this state substantial evidence concerning the minor's present or future care;

(d) The minor and the prospective adoptive parent are physically present in this state and the minor has been abandoned or it is necessary in an emergency to protect the minor because the minor has been subjected to or threatened with mistreatment or abuse or is otherwise neglected; or

(e) It appears that no other state would have jurisdiction under prerequisites substantially in accordance with paragraphs (a) through (d), or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to hear a petition for adoption of the minor, and it is in the best interest of the minor that a court of this state assume jurisdiction.

(2) A court of this state may not exercise jurisdiction over a proceeding for adoption of a minor if, at the time the petition for adoption is filed, a proceeding concerning the custody or adoption of the minor is pending in a court of another state exercising jurisdiction substantially in conformity with the Uniform Child Custody Jurisdiction Act or this section unless the proceeding is stayed by the court of the other state.

(3) If a court of another state has issued a decree or order concerning the custody of a minor who may be the subject of a proceeding for adoption in this state, a court of this state may not exercise jurisdiction over a proceeding for adoption of the minor unless:

(a) The court of this state finds that the court of the state which issued the decree or order:

(i) Does not have continuing jurisdiction to modify the decree or order under jurisdictional prerequisites substantially in accordance with the Uniform Child Custody Jurisdiction Act or has declined to assume jurisdiction to modify the decree or order; or

(ii) Does not have jurisdiction over a proceeding for adoption substantially in conformity with subsection (1)(a) through (d) or has declined to assume jurisdiction over a proceeding for adoption; and

(b) The court of this state has jurisdiction over the proceeding.

(4) Any person may be adopted in accordance with the provisions of this chapter in termtime or in vacation by an unmarried adult or by a married person whose spouse joins in the petition. The adoption shall be by sworn petition filed in the chancery court of the county in which the adopting petitioner or petitioners reside or in which the child to be adopted resides or was born, or was found when it was abandoned or deserted, or in which the home is located to which the child has been surrendered by a person authorized to so do. The petition shall be accompanied by a doctor's or nurse practitioner's certificate showing the physical and mental condition of the child to be adopted and a sworn statement of all property, if any, owned by the child. In addition, the petition shall be accompanied by affidavits of the petitioner or petitioners stating the amount of the service fees charged by any adoption agencies or adoption facilitators used by the petitioner or petitioners and any other expenses paid by the petitioner or petitioners in the adoption process as of the time of filing the petition. If the doctor's or nurse practitioner's certificate indicates any abnormal mental or physical condition or defect, the condition or defect shall not,

in the discretion of the chancellor, bar the adoption of the child if the adopting parent or parents file an affidavit stating full and complete knowledge of the condition or defect and stating a desire to adopt the child, notwithstanding the condition or defect. The court shall have the power to change the name of the child as a part of the adoption proceedings. The word "child" in this section shall be construed to refer to the person to be adopted, though an adult.

(5) Adoption by couples of the same gender is prohibited.

(6) No person may be placed in the home of or adopted by the prospective adopting parties before a court ordered or voluntary home study is satisfactorily completed by a licensed adoption agency, a licensed, experienced social worker approved by the chancery court or by the Department of Human Services on the prospective adoptive parties if required by Section 93-17-11.

(7) No person may be adopted by a person or persons who reside outside the State of Mississippi unless the provisions of the Interstate Compact for Placement of Children (Section 43-18-1 et seq.) have been complied with. In such cases Forms 100A, 100B (if applicable) and evidence of Interstate Compact for Placement of Children approval shall be added to the permanent adoption record file within one (1) month of the placement, and a minimum of two (2) post-placement reports conducted by a licensed child placing agency shall be provided to the Mississippi Department of Human Services Interstate Compact for Placement of Children office.

(8) No person may be adopted unless the provisions of the Indian Child Welfare Act (ICWA) have been complied with, if applicable. When applicable, proof of compliance shall be included in the court adoption file prior to finalization of the adoption. If not applicable, a written statement or paragraph in the petition for adoption shall be included in the adoption

petition stating that the provisions of ICWA do not apply before finalization.

An affidavit filed under this section may be revoked at any time by written notification to the bureau from the birth parent.

(5) Counsel for the adoptive parents in the adoption finalization proceeding shall provide the bureau with the information required in subsections (1) and (3) of this section, and he shall also make such information a part of the adoption

(6) (a) If an agency receives a report from a physician stating that a birth parent or another child of the birth parent has acquired or may have a genetically transferable disease or illness, the agency shall notify the bureau and the appropriate licensed adoption agency, and the latter agency shall notify the adoptee of the existence of the disease or illness, if he or she is twenty-one (21) years of age or over, or notify the adoptee's guardian, custodian or adoptive parent if the adoptee is under age twenty-one (21).

(b) If an agency receives a report from a physician that an adoptee has acquired or may have a genetically transferable disease or illness, the agency shall notify the bureau and the appropriate licensed agency, and the latter agency shall notify the adoptee's birth parent of the existence of the disease or illness.

(7) Compliance with the provisions of this section may be waived by the court, in its discretion, in any chancery court proceeding in which one or more of the petitioners for adoption is the natural mother or father of the adoptee.
