BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 73-59-1, Mississippi Code of 1972, is amended as follows:

73-59-1. For the purposes of this chapter, the following words shall have the meanings ascribed herein:

(b) "Residential builder" means any corporation, partnership or individual who constructs a building or structure for sale for use by another as a residence or who, for a fixed price, commission, fee, wage or other compensation, undertakes or offers to undertake the construction, or superintending of the construction, of any building or structure which is not more than three (3) floors in height, to be used by another as a residence, when the cost of the undertaking exceeds Fifty Thousand Dollars (\$50,000.00).

(c) "Remodeler" means any corporation, partnership or individual who, for a fixed price, commission, fee, wage or other compensation, undertakes or offers to undertake the construction, or superintending of the construction, of improvements to an

SECTION 2. Section 73-59-3, Mississippi Code of 1972, is amended as follows:

73-59-3. (1) Except as otherwise provided in Section 73-59-15 or Section 33-1-39, persons who perform or formerly performed residential construction or residential improvement shall be licensed by the board annually as an active licensee or inactive licensee, as appropriate, and, as a prerequisite to obtaining a license or renewal thereof, each shall submit to the board:

(a) Proof of workers' compensation insurance, if applicable; however, workers' compensation insurance shall not be required for inactive licensees;

(b) A federal employment identification number or social security number.

(2) The board may * * * require liability insurance to be licensed under this chapter * * * and it shall be reflected on the certificate of licensure; however, liability insurance shall not be required for inactive licensees.

(3) The board shall issue or renew a license to an active or inactive residential builder or remodeler upon payment to the board of the license fee. The initial license fee shall be Fifty Dollars (\$50.00). The license fee may thereafter be increased or decreased by the board and cannot exceed One Hundred Dollars (\$100.00); however, the receipts from fees collected by the board shall be no greater than the amount required to pay all costs and expenses incurred by the board in enforcing the provisions of this chapter. Twenty-five Dollars (\$25.00) of the fee required by this section which is assessed to residential builders licensed under the provisions of Section 73-59-1 et seq. shall be deposited to the Construction Education Fund created pursuant to Section 31-3-14 and shall be distributed to the Mississippi Housing Institute. The remaining fees collected under this chapter shall be deposited into the special fund in the State Treasury known as the "State Board of Contractors Fund" created pursuant to Section 31-3-17 and shall be used for the administration and enforcement of this chapter and as provided in Section 31-3-14. Amounts in such fund shall not lapse into the State General Fund at the end of a fiscal year. Interest accrued to such fund shall remain in the fund. All expenditures from the special fund shall be by requisition to the Department of Finance and Administration, signed by the executive secretary of the board and countersigned by the chairman or vice chairman of the board.

(4) Except as provided in Section 33-1-39, the license shall expire on the last day of the twelfth month following its issuance or renewal and shall become invalid unless renewed. The board may notify by mail or e-mail every licensee under this chapter of the date of the expiration of his license and the amount of the fee required for renewal of the license for one (1) year. To receive notification by e-mail, a licensee must notify the board of his desire to receive notification by e-mail and provide an e-mail address. Such notice may be mailed or e-mailed within thirty (30)

days prior to the expiration date of the license. The failure on the part of any licensee to renew his license annually in such twelfth month shall not deprive such licensee of the right of renewal, provided that renewal is effected within one hundred twenty (120) days after the expiration date of the license by payment of the license fee plus a penalty of ten percent (10%) of the license fee. A new license required to replace a revoked, lost, mutilated or destroyed license may be issued, subject to the rules of the board, for a charge of not more than Twenty-five Dollars (\$25.00). An inactive licensee may become an active licensee upon application meeting all the requirements of this section.

(5) Any person who is not a resident of the State of Mississippi who desires to perform residential construction or residential improvement shall be licensed to perform such construction or improvement as provided by this chapter.

(e) Any employee of a licensed residential builder, provided that the employee is not building a residence for sale;

(f) Any contractor holding a valid license or certificate of responsibility for general construction from the board;

(g) Any nonresident contractor holding a valid license or certificate of responsibility for general construction;

(h) Any person who constructs two (2) single residences or less within a period of one (1) year in any county or municipality which does not require a building permit or any local certification for such construction, provided that the person is not building the residences for sale.

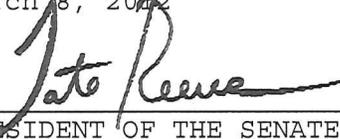

(2) A person specified in subsection (1)(b) or (c) shall not make more than two (2) applications for a permit to construct a single residence or shall not construct more than two (2) single residences within a period of one (1) year.
