AN ACT APPROVING THE EXPENDITURE OF SPECIAL FUNDS FOR THE PURPOSE OF DEFRAYING THE EXPENSES OF THE PEARL RIVER BASIN DEVELOPMENT DISTRICT FOR THE FISCAL YEAR 2015.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be necessary, is appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Pearl River Basin Development District, for the fiscal year beginning July 1, 2014, and ending June 30, 2015.....

SECTION 3. Of the funds approved for expenditure under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	5
	Part Time	3
Time-Limited:	Full Time	0
	Part Time	0

With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2016 do not exceed Fiscal Year 2015 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2015 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2015 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2015 "Personal Services"

appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Funds are provided herein for a One Thousand Dollar (\$1,000.00) salary increase for full-time employees, or pro-rated for part-time employees, which shall be awarded to each employee that has not received a salary increase since July 1, 2010, and that is making an annual salary of less than Thirty Thousand Dollars (\$30,000.00) as of June 30, 2014.

The State Personnel Board shall not approve or process personnel action for any employee unless the employee has not received a salary increase since July 1, 2010, and for such an employee the increased amount shall not exceed Five Percent (5%); however, the following conditions are to be exempted: the award of teacher salary increments; the advancement of a trainee/cadet to the next level of a bona fide career ladder; the award of an educational benchmark for the attainment of a Certified Public Accountant License or higher level professional certification; the immediate replacement of a departing employee with an employee from within state service at a salary level of the departing employee or the FY 2015 promotional formula, whichever is less; the emergency appointment of nurses, pharmacists or other health care and child protection professionals at a salary to be determined by the State Personnel Board or any other requested

action of the agency that has been specifically authorized by the Legislature.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 4. It is the intention of the Legislature that the Pearl River Basin Development District shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2014. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2016 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2015 budget request process.

SECTION 5. It is the intention of the Legislature that the Director of the Pearl River Basin Development District shall be authorized to escalate, budget and expend funds from any source, not to exceed Five Hundred Thousand Dollars (\$500,000.00), for the purpose of maintaining the Lower Pearl Restoration Project in accordance with the Project Cooperation Agreement with the United States Army Corps of Engineers and to maintain the South Jackson Clearing Project in an area along the Pearl River in Hinds County and Rankin County, in accordance with rules and regulations of the Department of Finance and Administration in a manner consistent with the escalation of federal funds.

SECTION 6. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 7. The funds herein approved for expenditure, except and less an amount approved by the State Fiscal Officer which shall be sufficient to cover disbursements for current operations, shall be deposited at interest with any official depository of the state at a rate of interest numerically not less than one percent

(1%) below the bank discount rate on United States Treasury bills of comparable maturity as determined by the State Treasurer.

SECTION 8. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally or upon their official bonds, shall be held responsible for actions contrary to this provision.

SECTION 9. Of the funds provided in Section 1 of this act, Two Hundred Thousand Dollars (\$200,000.00) is provided as the first of three annual installments to support the operations of the Pearl River Basin Development District.

SECTION 10. The money herein approved for expenditure shall be disbursed upon bank checks signed by the proper person, officer or officers, in the manner provided by law or in accordance with the provisions of a valid trust indenture.

SECTION 11. This act shall take effect and be in force from
and after July 1, 2014.
