(3) This section and Section 45-9-51 do not authorize a county or municipality or their officers or employees to act in contravention of Section 33-7-303.

(4) No county or a municipality may use the written notice provisions of Section 45-9-101(13) to prohibit firearms on property under their control except in the locations listed in subsection (1)(f) of this section. Nothing in this subsection shall limit the ability of a county or municipality to post signs:

(a) At a location listed in Section 45-9-101(13) indicating that a license issued under Section 45-9-101 does not authorize the holder to carry a firearm into that location, as long as the sign also indicates that carrying a firearm is unauthorized only for license holders without a training endorsement or that it is a location included in Section 97-37-7(2) where carrying a firearm is unauthorized for all license holders; and

(b) At any location under the control of the county or municipality aside from a location listed in subsection (1)(f) of this section or Section 45-9-101(13) indicating that the possession of a firearm is prohibited on the premises, as long as

the sign also indicates that it does not apply to a person properly licensed under Section 45-9-101 or Section 97-37-7(2) to carry a concealed firearm or to a person lawfully carrying a firearm that is not concealed.

(5) (a) A citizen of this state, or a person licensed to carry a concealed pistol or revolver under Section 45-9-101, or a person licensed to carry a concealed pistol or revolver with the endorsement under Section 97-37-7, who is adversely affected by an ordinance or posted written notice adopted by a county or municipality in violation of this section may file suit for declarative and injunctive relief against a county or municipality in the circuit court which shall have jurisdiction over the county or municipality where the violation of this section occurs.

(b) Before instituting suit under this subsection, the party adversely impacted by the ordinance or posted written notice shall notify the Attorney General in writing of the violation and include evidence of the violation. The Attorney General shall, within thirty (30) days, investigate whether the county or municipality adopted an ordinance or posted written notice in violation of this section and provide the chief administrative officer of the county or municipality notice of his findings, including, if applicable, a description of the violation and specific language of the ordinance or posted written notice found to be in violation. The county or municipality shall have thirty (30) days from receipt of that notice to cure the violation. If

the county or municipality fails to cure the violation within that thirty-day time period, a suit under paragraph (a) of this

subsection may proceed. The findings of the Attorney General

shall constitute a "Public Record" as defined by the Mississippi

Public Records Act of 1983, Section 25-61-1 et seq.

(c) If the circuit court finds that a county or

municipality adopted an ordinance or posted written notice in

violation of this section and failed to cure that violation in

accordance with paragraph (b) of this subsection, the circuit

court shall issue a permanent injunction against a county or

municipality prohibiting it from enforcing the ordinance or posted

written notice. Any elected county or municipal official under

whose jurisdiction the violation occurred may be civilly liable in

a sum not to exceed One Thousand Dollars (\$1,000.00), plus all

reasonable attorney's fees and costs incurred by the party

bringing the suit. Public funds may not be used to defend or

reimburse officials who are found by the court to have violated

this section.

(d) It shall be an affirmative defense to any claim

brought against an elected county or municipal official under this

subsection (5) that the elected official:

(1) Did not vote in the affirmative for the

adopted ordinance or posted written notice deemed by the court to

be in violation of this section;

(ii) Did attempt to take recorded action to cure the violation as noticed by the Attorney General in paragraph (b) of this subsection; or

(iii) Did attempt to take recorded action to rescind the ordinance or remove the posted written notice deemed by the court to be in violation of this section.

(6) No county or municipality or their officers or employees may participate in any program in which individuals are given a thing of value provided by another individual or other entity in exchange for surrendering a firearm to the county, municipality or other governmental body unless:

(a) The county or municipality has adopted an ordinance authorizing the participation of the county or municipality, or participation by an officer or employee of the county or municipality in such a program; and

(b) Any ordinance enacted pursuant to this section must require that any firearm received shall be offered for sale at auction as provided by Sections 19-3-85 and 21-39-21 to federally licensed firearms dealers, with the proceeds from such sale at auction reverting to the general operating fund of the county, municipality or other governmental body. Any firearm remaining in possession of the county, municipality or other governmental body after attempts to sell at auction may be disposed of in a manner that the body deems appropriate.
