The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency

shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

approved plan for the development of any port, harbor, waterway or part thereof. However, no bonds shall be issued under this chapter after the effective date of House Bill No. 1049, 2013 Regular Session. The principal of and the interest on such bonds shall be payable from a special fund to be provided for that purpose in the manner hereinafter set forth. Such bonds shall bear date or dates, be in such denomination or denominations, bear interest at such rate or rates, be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times, be redeemable prior to maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the State Bond Commission. Such bonds shall mature or otherwise be retired in annual installments beginning not more than five (5) years from date thereof and extending not more than forty (40) years from date thereof. Such bonds shall be signed by the Chairman of the State Bond Commission, or by his facsimile signature, and the official seal of the State Bond Commission shall be affixed thereto, attested by the Secretary of the State Bond Commission. The interest coupons to be attached to such bonds may be executed by the facsimile signatures of said officers. Whenever any such bonds shall have been signed by the officials herein designated to sign the bonds, who were in office at the time of such signing but who may have ceased to be such

officers prior to the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until the delivery of the same to the purchaser, or had been in office on the date such bonds may bear.

Any state port authority organized and existing under the provisions of this chapter, with the concurrence of the board, shall have the power to obtain loans from banking institutions authorized to do business in the State of Mississippi, for necessary interim financing pending the receipt of the proceeds from the sale of bonds, on such terms and at such interest rates as the authority, with the concurrence of the board, may deem feasible. All such interim loans shall be payable from the proceeds of the permanent obligations when same shall be sold and issued, or from the proceeds of any federal grant.

**SECTION 6.** Section 59-5-51, Mississippi Code of 1972, is amended as follows:

59-5-51. (1) The bonds issued under the provisions of this chapter shall be payable from the special fund provided therefor as hereinafter set out and shall be the general obligations of the State of Mississippi and backed by the full faith and credit of the state, and if the funds supplied by the board to the State Treasurer from the sources prescribed by this chapter be

insufficient to fully pay the interest on the bonds when due or to pay the principal of the bonds when due or when declared to be due as provided in the resolution authorizing the issuance of the bonds, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated, and all such bonds shall contain recitals on their face substantially covering the foregoing provisions of this section.

The amount of bonds issued for the acquisition and planned development of any one state port, harbor or waterway shall not exceed the sum of Eighty Million Dollars (\$80,000,000.00) outstanding at any one time, nor shall any additional bonds be issued to complete the planned development of any other port, harbor or waterway to exceed in the aggregate the sum of Eighty Million Dollars (\$80,000,000.00), outstanding at any one (1) time. However, such limitation on the amount of bonds that may be issued shall not apply to any additional bonds issued in connection with the planned development of any other port, harbor or waterway not to exceed in the aggregate the sum of One Hundred Thirty Million Dollars (\$130,000,000.00) notwithstanding the provisions of Section 59-5-47, nor any other provisions to the contrary. The entire proceeds of the One Hundred Thirty Million Dollars (\$130,000,000.00) shall be used solely for the construction or acquisition of ships, vessels, shipyards, shipbuilding facilities, machinery and equipment, dredges, floating dry docks, graving docks, marine railways, tugboats or any other facilities required

or incidental to the construction, outfitting, dry docking or repair of ships or vessels. However, no such additional bonds shall be issued except where such facility or facilities are to be leased or sold, in whole or in part, for industrial purposes and the annual payments made under the lease contract and/or proceeds of sale shall be sufficient to pay the interest on the bonds when due and to pay the principal of the bonds at or prior to maturity as provided in the resolution authorizing the issuance of the bonds to finance such project, and all costs in connection therewith. Such lease shall have been first fully guaranteed by such person, firm or corporation, if any, having control, ownership or management of the lessee. No borrowing under this section shall be finalized prior to ten (10) days after written notice of intent to borrow is furnished to the Legislative Budget Office.

No bonds shall be issued under this chapter after the effective date of House Bill No. 1049, 2013 Regular Session.

(2) The full five-mill ad valorem levy provided for by this chapter shall be levied and collected as needed for the retirement of any bonds issued under this chapter, and all rents, emoluments and charges made and collected by the port authority, less

maintenance cost and incidental expenses, shall be covered in a fund to be used to retire all bonds issued under this chapter; and also all receipts from the two-mill state ad valorem levy, disbursed to such city, county or other port or harbor agency, shall be used to service such bonds.

(3) In the event any city, county or other port, or harbor agency, however designated, shall pay to the board an amount insufficient to meet all bond and interest payments when due on their respective obligations, then any such delinquency paid by the state shall be deducted from future reimbursements for homestead exemptions under the provisions of Sections 27-33-1 through 27-33-65 from that portion reimbursed to the general county fund. Should the amount deducted from the homestead exemption reimbursement be insufficient to meet the delinquency, then the remainder of such delinquency shall be deducted from any distributions made under the provisions of Section 27-5-101 for gasoline taxes.

(4) In the event all of the above-listed sources prove inadequate to pay the principal and interest on the bonds issued and paid for by the State of Mississippi under this chapter, then such city, county or other port or harbor agency shall levy and collect an additional ad valorem levy of not more than five (5) mills per year on all the taxable property of such city, county or other port or harbor agency, which funds so secured shall be applied toward such obligations to the State of Mississippi.

(5) The requirements of subsections (2), (3) and (4) of this section shall not be applicable to the additional bonds in the aggregate amount of One Hundred Thirty Million Dollars (\$130,000,000.00) authorized in subsection (1) of this section for the construction or acquisition of ships, vessels, shipyards, shipbuilding facilities, machinery and equipment, dredges, floating dry docks, graving docks, marine railways, tugboats or any other facilities required or incidental to the construction, outfitting, dry docking or repair of ships or vessels; provided, such county shall, at the time of issuance of any of such bonds, convey to the State of Mississippi all of its right, title and interest in and to all of the land and above-mentioned shipbuilding facilities, together with the county's right, title and interest in and to any leases, deeds, contracts or other customary business instruments which have been entered into in connection with the land and shipbuilding facilities, but such conveyance or conveyances shall be subject to the terms and provisions of such leases, deeds, contracts or other customary business instruments entered into in connection therewith. The right, title and interest of the State of Mississippi in the land and shipbuilding facilities shall be under the supervision and control of the Department of Economic and Community Development.

**SECTION 7.** Section 29, Chapter 480, Laws of 2011, is amended as follows:

Section 29. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

(2) (a) (i) A special fund, to be designated as the "2011 Old Hattiesburg High School Improvements Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited into such fund.

(ii) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist Hattiesburg Landmark Preservation in paying costs associated with:

1. Repair, renovation and improvement of the old Hattiesburg High School building and related facilities in Hattiesburg, Mississippi;

2. Restoration, repair, renovation and improvement of the old Eureka High School building and related facilities in Hattiesburg, Mississippi; and/or

3. Construction and development of and improvements and upgrades to downtown trails and related sites in Hattiesburg, Mississippi.

(b) Amounts deposited into such special fund shall be disbursed to pay the costs of the projects described in paragraph (a) of this subsection. Promptly after the commission has certified, by resolution duly adopted, that the projects described in paragraph (a) of this subsection shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this section, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) (a) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in subsection (2) of this section. Upon the adoption of a resolution by the Department of Finance and Administration \* \* \* declaring

the necessity for the issuance of any part or all of the general obligation bonds authorized by this subsection, the department shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as issuing agent, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under this section shall not exceed Seven Hundred Fifty Thousand Dollars (\$750,000.00). No bonds shall be issued under this section after July 1, 2015.

(b) Any investment earnings on amounts deposited into the special fund created in subsection (2) of this section shall be used to pay debt service on bonds issued under this section, in accordance with the proceedings authorizing issuance of such bonds.

(4) The principal of and interest on the bonds authorized under this section shall be payable in the manner provided in this subsection. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates (not to exceed the limits set forth in Section 75-17-101, Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature

absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

(5) The bonds authorized by this section shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(6) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(7) The commission shall act as issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this section from the proceeds derived from the sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general

circulation in the City of Jackson, Mississippi, selected by the commission.

The commission, when issuing any bonds under the authority of this section, may provide that bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

(8) The bonds issued under the provisions of this section are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this subsection.

(9) Upon the issuance and sale of bonds under the provisions of this section, the commission shall transfer the proceeds of any such sale or sales to the special fund created in subsection (2) of this section. The proceeds of such bonds shall be disbursed solely upon the order of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

(10) The bonds authorized under this section may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by this section. Any resolution providing for the issuance of bonds under the provisions of this section shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

(11) The bonds authorized under the authority of this section may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the force and effect provided by Chapter 13, Title 31, Mississippi Code of 1972, for the validation of county, municipal, school district and other bonds. The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

(12) Any holder of bonds issued under the provisions of this section or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under this section, or under such resolution, and may enforce and compel performance of all duties required by this section to be performed, in order to provide for the payment of bonds and interest thereon.

(13) All bonds issued under the provisions of this section shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

(14) Bonds issued under the provisions of this section and income therefrom shall be exempt from all taxation in the State of Mississippi.

(15) The proceeds of the bonds issued under this section shall be used solely for the purposes herein provided, including the costs incident to the issuance and sale of such bonds.

(16) The State Treasurer is authorized, without further process of law, to certify to the Department of Finance and Administration the necessity for warrants, and the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this section; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of such bonds in ample time to discharge such bonds, or the interest thereon, on the due dates thereof.

(17) This section shall be deemed to be full and complete authority for the exercise of the powers herein granted, but this section shall not be deemed to repeal or to be in derogation of any existing law of this state.

**SECTION 8.** Section 40, Chapter 557, Laws of 2009, is amended as follows:

Section 40. (1) As used in this section, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bonds means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

Upon the adoption of a resolution by the Mississippi Development Authority \* \* \* declaring the necessity for the issuance of any part or all of the

Mississippi Code of 1972), be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty-five (25) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as shall be determined by resolution of the commission.

Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary,

such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

(5) All bonds and interest coupons issued under the provisions of this section have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this section, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

(6) The commission shall act as the issuing agent for the bonds authorized under this section, prescribe the form of the bonds, determine the appropriate method for sale of the bonds, advertise for and accept bids or negotiate the sale of the bonds, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission may sell such bonds on sealed bids at public sale or may negotiate the sale of the bonds for such price as it may determine to be for the best interest of the State of Mississippi. All interest accruing on such bonds so issued shall be payable semiannually or annually.

If such bonds are sold by sealed bids at public sale, notice of the sale shall be published at least one time, not less than

ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, selected by the commission.
