HOUSE BILL NO. 1174

Originated in House  Clerk

HOUSE BILL NO. 1174

AN ACT TO AMEND SECTION 25-11-103, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE VALUE OF ANY MAINTENANCE FURNISHED TO MEMBERS OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM ON OR AFTER JULY 1, 2013, SHALL NOT BE INCLUDED IN THE EARNED COMPENSATION OF THE MEMBERS FOR RETIREMENT PURPOSES; TO EXCLUDE THE VALUE OF ANY IN-KIND BENEFITS FROM THE COMPUTATION OF EARNED COMPENSATION; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 25-11-103, Mississippi Code of 1972, is amended as follows:

25-11-103. The following words and phrases as used in Articles 1 and 3, unless a different meaning is plainly required by the context, have the following meanings:

(a) "Accumulated contributions" means the sum of all the amounts deducted from the compensation of a member and credited to his or her individual account in the annuity savings account, together with regular interest as provided in Section 25-11-123.

(b) "Actuarial cost" means the amount of funds presently required to provide future benefits as determined by the

board based on applicable tables and formulas provided by the actuary.

(c) "Actuarial equivalent" means a benefit of equal value to the accumulated contributions, annuity or benefit, as the case may be, when computed upon the basis of such mortality tables as adopted by the board of trustees, and regular interest.

(d) "Actuarial tables" means such tables of mortality and rates of interest as adopted by the board in accordance with the recommendation of the actuary.

(e) "Agency" means any governmental body employing persons in the state service.

(f) "Average compensation" means the average of the four (4) highest years of earned compensation reported for an employee in a fiscal or calendar year period, or combination thereof that do not overlap, or the last forty-eight (48) consecutive months of earned compensation reported for an employee. The four (4) years need not be successive or joined years of service. In computing the average compensation for retirement, disability or survivor benefits, any amount lawfully paid in a lump sum for personal leave or major medical leave shall be included in the calculation to the extent that the amount does not exceed an amount that is equal to thirty (30) days of earned compensation and to the extent that it does not cause the employee's earned compensation to exceed the maximum reportable amount specified in paragraph (k) of this section; however, this

thirty-day limitation shall not prevent the inclusion in the calculation of leave earned under federal regulations before July 1, 1976, and frozen as of that date as referred to in Section 25-3-99. In computing the average compensation, no amounts shall be used that are in excess of the amount on which contributions were required and paid, and no nontaxable amounts paid by the employer for health or life insurance premiums for the employee shall be used. If any member who is or has been granted any increase in annual salary or compensation of more than eight percent (8%) retires within twenty-four (24) months from the date that the increase becomes effective, then the board shall exclude that part of the increase in salary or compensation that exceeds eight percent (8%) in calculating that member's average compensation for retirement purposes. The board may enforce this provision by rule or regulation. However, increases in compensation in excess of eight percent (8%) per year granted within twenty-four (24) months of the date of retirement may be included in the calculation of average compensation if satisfactory proof is presented to the board showing that the increase in compensation was the result of an actual change in the position held or services rendered, or that the compensation increase was authorized by the State Personnel Board or was increased as a result of statutory enactment, and the employer furnishes an affidavit stating that the increase granted within the last twenty-four (24) months was not contingent on a promise

or agreement of the employee to retire. Nothing in Section 25-3-31 shall affect the calculation of the average compensation of any member for the purposes of this article. The average compensation of any member who retires before July 1, 1992, shall not exceed the annual salary of the Governor.

(g) "Beneficiary" means any person entitled to receive a retirement allowance, an annuity or other benefit as provided by Articles 1 and 3. The term "beneficiary" may also include an organization, estate, trust or entity; however, a beneficiary designated or entitled to receive monthly payments under an optional settlement based on life contingency or under a statutory monthly benefit may only be a natural person. In the event of the death before retirement of any member who became a member of the system before July 1, 2007, and whose spouse and/or children are not entitled to a retirement allowance on the basis that the member has less than four (4) years of service credit, or who became a member of the system on or after July 1, 2007, and whose spouse and/or children are not entitled to a retirement allowance on the basis that the member has less than eight (8) years of service credit, and/or has not been married for a minimum of one (1) year or the spouse has waived his or her entitlement to a retirement allowance under Section 25-11-114, the lawful spouse of a member at the time of the death of the member shall be the beneficiary of the member unless the member has designated another beneficiary after the date of marriage in writing, and filed that

writing in the office of the executive director of the board of trustees. No designation or change of beneficiary shall be made in any other manner.

(h) "Board" means the board of trustees provided in Section 25-11-15 to administer the retirement system created under this article.

(i) "Creditable service" means "prior service," "retroactive service" and all lawfully credited unused leave not exceeding the accrual rates and limitations provided in Section 25-3-91 et seq., as of the date of withdrawal from service plus "membership service" and other service for which credit is allowable as provided in Section 25-11-109. Except to limit creditable service reported to the system for the purpose of computing an employee's retirement allowance or annuity or benefits provided in this article, nothing in this paragraph shall limit or otherwise restrict the power of the governing authority of a municipality or other political subdivision of the state to adopt such vacation and sick leave policies as it deems necessary.

(j) "Child" means either a natural child of the member, a child that has been made a child of the member by applicable court action before the death of the member, or a child under the permanent care of the member at the time of the latter's death, which permanent care status shall be determined by evidence satisfactory to the board.

(k) "Earned compensation" means the full amount earned during a fiscal year by an employee * * * not to exceed the employee compensation limit set pursuant to Section 401(a)(17) of the Internal Revenue Code for the calendar year in which the fiscal year begins and proportionately for less than one (1) year of service. Except as otherwise provided in this paragraph, the value of * * * maintenance * * * furnished to an employee shall not be included in earned compensation. Earned compensation shall not include any * * * amounts paid by the employer for health or life insurance premiums for an employee. * * * Earned compensation shall be limited to the regular periodic compensation paid, exclusive of litigation fees, bond fees, performance-based incentive payments, and other similar extraordinary nonrecurring payments. In addition, any member in a covered position, as defined by Public Employees' Retirement System laws and regulations, who is also employed by another covered agency or political subdivision shall have the earnings of that additional employment reported to the Public Employees' Retirement System regardless of whether the additional employment is sufficient in itself to be a covered position. In addition, computation of earned compensation shall be governed by the following:

(i) In the case of constables, the net earnings from their office after deduction of expenses shall apply, except that in no case shall earned compensation be less than the total

direct payments made by the state or governmental subdivisions to the official.

(ii) In the case of chancery or circuit clerks, the net earnings from their office after deduction of expenses shall apply as expressed in Section 25-11-123(f)(4).

(iii) In the case of members of the State Legislature, all remuneration or amounts paid, except mileage allowance, shall apply.

(iv) The amount by which an eligible employee's salary is reduced under a salary reduction agreement authorized under Section 25-17-5 shall be included as earned compensation under this paragraph, provided this inclusion does not conflict with federal law, including federal regulations and federal administrative interpretations under the federal law, pertaining to the Federal Insurance Contributions Act or to Internal Revenue Code Section 125 cafeteria plans.

(v) Compensation in addition to an employee's base salary that is paid to the employee under the vacation and sick leave policies of a municipality or other political subdivision of the state that employs him or her that exceeds the maximums authorized by Section 25-3-91 et seq. shall be excluded from the calculation of earned compensation under this article.

(vi) The maximum salary applicable for retirement purposes before July 1, 1992, shall be the salary of the Governor.

(vii) Nothing in Section 25-3-31 shall affect the determination of the earned compensation of any member for the purposes of this article.

(viii) The value of maintenance furnished to an employee before July 1, 2013, for which the proper amount of employer and employee contributions have been paid, shall be included in earned compensation. From and after July 1, 2013, the value of maintenance furnished to an employee shall be reported as earned compensation only if the proper amount of employer and employee contributions have been paid on the maintenance and the employee was receiving maintenance and having maintenance reported to the system as of June 30, 2013. The value of maintenance when not paid in money shall be fixed by the employing state agency, and, in case of doubt, by the board of trustees as defined in Section 25-11-15.

(ix) Except as otherwise provided in this paragraph, the value of any in-kind benefits provided by the employer shall not be included in earned compensation. As used in this subparagraph, "in-kind benefits" shall include, but not be limited to, group life insurance premiums, health or dental insurance premiums, nonpaid major medical and personal leave, employer contributions for social security and retirement, tuition reimbursement or educational funding, day care or transportation benefits.

(l) "Employee" means any person legally occupying a position in the state service, and shall include the employees of the retirement system created under this article.

(n) "Executive director" means the secretary to the board of trustees, as provided in Section 25-11-15(9), and the administrator of the Public Employees' Retirement System and all systems under the management of the board of trustees. Wherever the term "Executive Secretary of the Public Employees' Retirement System" or "executive secretary" appears in this article or in any other provision of law, it shall be construed to mean the Executive Director of the Public Employees' Retirement System.

(o) "Fiscal year" means the period beginning on July 1 of any year and ending on June 30 of the next succeeding year.

(p) "Medical board" means the board of physicians or any governmental or nongovernmental disability determination service designated by the board of trustees that is qualified to make disability determinations as provided for in Section 25-11-119.

(q) "Member" means any person included in the membership of the system as provided in Section 25-11-105. For purposes of Sections 25-11-103, 25-11-105, 25-11-109, 25-11-111, 25-11-113, 25-11-114, 25-11-115 and 25-11-117, if a member of the

system withdrew from state service and received a refund of the amount of the accumulated contributions to the credit of the member in the annuity savings account before July 1, 2007, and the person reenters state service and becomes a member of the system again on or after July 1, 2007, and repays all or part of the amount received as a refund and interest in order to receive creditable service for service rendered before July 1, 2007, the member shall be considered to have become a member of the system on or after July 1, 2007, subject to the eight-year membership service requirement, as applicable in those sections. For purposes of Sections 25-11-103, 25-11-111, 25-11-114 and 25-11-115, if a member of the system withdrew from state service and received a refund of the amount of the accumulated contributions to the credit of the member in the annuity savings account before July 1, 2011, and the person reenters state service and becomes a member of the system again on or after July 1, 2011, and repays all or part of the amount received as a refund and interest in order to receive creditable service for service rendered before July 1, 2011, the member shall be considered to have become a member of the system on or after July 1, 2011.

(r) "Membership service" means service as an employee in a covered position rendered while a contributing member of the retirement system.

(s) "Position" means any office or any employment in the state service, or two (2) or more of them, the duties of which

call for services to be rendered by one (1) person, including positions jointly employed by federal and state agencies administering federal and state funds. The employer shall determine upon initial employment and during the course of employment of an employee who does not meet the criteria for coverage in the Public Employees' Retirement System based on the position held, whether the employee is or becomes eligible for coverage in the Public Employees' Retirement System based upon any other employment in a covered agency or political subdivision. If or when the employee meets the eligibility criteria for coverage in the other position, then the employer must withhold contributions and report wages from the noncovered position in accordance with the provisions for reporting of earned compensation. Failure to deduct and report those contributions shall not relieve the employee or employer of liability thereof. The board shall adopt such rules and regulations as necessary to implement and enforce this provision.

(t) "Prior service" means:

(i) For persons who became members of the system before July 1, 2007, service rendered before February 1, 1953, for which credit is allowable under Sections 25-11-105 and 25-11-109, and which shall allow prior service for any person who is now or becomes a member of the Public Employees' Retirement System and who does contribute to the system for a minimum period of four (4) years.

However, any spouse who received a spouse retirement benefit in accordance with Section 25-11-111(d) before March 31, 1971, and those benefits were terminated because of eligibility for a social security benefit, may again receive his or her spouse retirement benefit from and after making application with the board of trustees to reinstate the spouse retirement benefit.
