75-2-719. (1) Subject to the provisions of subsections (2), (3), and (4) of this section and of Section 75-2-718 on liquidation and limitation of damages,

(a) The agreement may provide for remedies in addition to or in substitution for those provided in this chapter and may limit or alter the measure of damages recoverable under this chapter, as by limiting the buyer's remedies to return of the goods and repayment of the price or to repair and replacement of nonconforming goods or parts; and

SECTION 3. Section 75-4A-108, Mississippi Code of 1972, is amended as follows:

75-4A-108. (a) Except as set forth in subsection (b), this chapter does not apply to a funds transfer any part of which is governed by the Electronic Fund Transfer Act of 1978 (Title XX, Public Law 95-630, 92 Stat. 3728, 15 USCS 1693 et seq.) as amended from time to time.

(b) This chapter applies to a funds transfer that is a "remittance transfer" as defined in Section 919(g)(2) and (3) of the Electronic Fund Transfer Act (15 USCS Section 1693o-1(g)(2) and (3)), unless the remittance transfer is an "electronic fund transfer" as defined in Section 903(7) of the Electronic Fund Transfer Act (15 USCS Section 1693A(7)).

(c) In a funds transfer to which this chapter applies, in the event of an inconsistency between an applicable provision of this chapter and an applicable provision of the Electronic Fund Transfer Act, the provision of the Electronic Fund Transfer Act governs to the extent of the inconsistency.

SECTION 4. Section 75-9-105, Mississippi Code of 1972, is amended as follows:

75-9-105. (a) A secured party has control of electronic chattel paper if a system employed for evidencing the transfer of

interests in the chattel paper reliably establishes the secured party as the person to which the chattel paper was assigned.

(b) A system satisfies subsection (a) if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

(1) A single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;

(2) The authoritative copy identifies the secured party as the assignee of the record or records;

(3) The authoritative copy is communicated to and maintained by the secured party or its designated custodian;

(4) Copies or * * * amendments that add or change an identified assignee of the authoritative copy can be made only with the * * * consent of the secured party;

(5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) Any * * * amendment of the authoritative copy is readily identifiable as * * * authorized or unauthorized * * *.

SECTION 5. Section 75-9-307, Mississippi Code of 1972, is amended as follows:

75-9-307. (a) In this section, "place of business" means a place where a debtor conducts its affairs.

(b) Except as otherwise provided in this section, the following rules determine a debtor's location:

(1) A debtor who is an individual is located at the individual's principal residence.

(2) A debtor that is an organization and has only one (1) place of business is located at its place of business.

(3) A debtor that is an organization and has more than one (1) place of business is located at its chief executive office.

(c) Subsection (b) applies only if a debtor's residence, place of business, or chief executive office, as applicable, is located in a jurisdiction whose law generally requires information concerning the existence of a nonpossessory security interest to be made generally available in a filing, recording, or registration system as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral. If subsection (b) does not apply, the debtor is located in the District of Columbia.

(d) A person that ceases to exist, have a residence, or have a place of business continues to be located in the jurisdiction specified by subsections (b) and (c).

(e) A registered organization that is organized under the law of a state is located in that state.

(f) Except as otherwise provided in subsection (i), a registered organization that is organized under the law of the

United States and a branch or agency of a bank that is not organized under the law of the United States or a state are located:

(1) In the state that the law of the United States designates, if the law designates a state of location;

(2) In the state that the registered organization, branch, or agency designates, if the law of the United States authorizes the registered organization, branch, or agency to designate its state of location, including by designating its main office, or other comparable office; or

(3) In the District of Columbia, if neither paragraph (1) nor paragraph (2) applies.

(g) A registered organization continues to be located in the jurisdiction specified by subsection (e) or (f) notwithstanding:

(1) The suspension, revocation, forfeiture, or lapse of the registered organization's status as such in its jurisdiction of organization; or

(2) The dissolution, winding up, or cancellation of the existence of the registered organization.

(h) The United States is located in the District of Columbia.

(i) A branch or agency of a bank that is not organized under the law of the United States or a state is located in the state in which the branch or agency is licensed, if all branches and agencies of the bank are licensed in only one (1) state.

(j) A foreign air carrier under the Federal Aviation Act of 1958, as amended, is located at the designated office of the agent upon which service of process may be made on behalf of the carrier.

(k) This section applies only for purposes of this part.

SECTION 6. Section 75-9-311, Mississippi Code of 1972, is amended as follows:

75-9-311. (a) Except as otherwise provided in subsection (d), the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

(1) A statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt Section 75-9-310(a);

(2) Sections 63-21-1 through 63-21-77 (the Mississippi Motor Vehicle and Manufactured Housing Title Law) or a certificate of title issued pursuant to Sections 59-25-1 through 59-25-17 (Certificates of Title for Boats and Other Vessels); or

(3) A * * * statute of another jurisdiction which provides for a security interest to be indicated on * * * certificate of title as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(b) Compliance with the requirements of a statute, regulation, or treaty described in subsection (a) for obtaining

priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this article. Except as otherwise provided in subsection (d) and Sections 75-9-313 and 75-9-316(d) and (e) for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (a) may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(c) Except as otherwise provided in subsection (d) and Section 75-9-316(d) and (e), duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) are governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this article.

(d) During any period in which collateral subject to a statute specified in subsection (a)(2) is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

SECTION 7. Section 75-9-316, Mississippi Code of 1972, is amended as follows:

75-9-316. (a) A security interest perfected pursuant to the law of the jurisdiction designated in Section 75-9-301(1) or 75-9-305(c) remains perfected until the earliest of:

(1) The time perfection would have ceased under the law of that jurisdiction;

(2) The expiration of four (4) months after a change of the debtor's location to another jurisdiction; or

(3) The expiration of one (1) year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) If a security interest described in subsection (a) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) The collateral is located in one (1) jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(2) Thereafter the collateral is brought into another jurisdiction; and

(3) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Except as otherwise provided in subsection (e), a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) A security interest described in subsection (d) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under Section 75-9-311(b) or 75-9-313 are not satisfied before the earlier of:

(1) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or

(2) The expiration of four (4) months after the goods had become so covered.

(f) A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected

under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) The time the security interest would have become unperfected under the law of that jurisdiction; or

(2) The expiration of four (4) months after a change of the applicable jurisdiction to another jurisdiction.

(g) If a security interest described in subsection (f) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(h) The following rules apply to collateral to which a security interest attaches within four (4) months after the debtor changes its location to another jurisdiction:

(1) A financing statement filed before the change pursuant to the law of the jurisdiction designated in Section 75-9-301(1) or 75-9-305(c) is effective to perfect a security interest in the collateral if the financing statement would have

been effective to perfect a security interest in the collateral if the debtor had not changed its location.

(2) If a security interest that is perfected by a financing statement that is effective under paragraph (1) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in Section 75-9-301(1) or 75-9-305(c) or the expiration of the four-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(i) If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in Section 75-9-301(1) or 75-9-305(c) and the new debtor is located in another jurisdiction, the following rules apply:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four (4) months after, the new debtor becomes bound under Section 75-9-203(d), if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(2) A security interest perfected by the financing statement and which becomes perfected under the law of the other

jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in Section 75-9-301(1) or 75-9-305(c) or the expiration of the four-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

SECTION 8. Section 75-9-317, Mississippi Code of 1972, is amended as follows:

75-9-317. (a) A security interest or agricultural lien is subordinate to the rights of:

(1) A person entitled to priority under Section 75-9-322; and

(2) Except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of the time:

(A) The security interest or agricultural lien is perfected; or

(B) One (1) of the conditions specified in Section 75-9-203(b) (3) is met and a financing statement covering the collateral is filed.

(b) Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, documents,

goods, instruments, or a certificated security * * * takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) A licensee of a general intangible or a buyer, other than a secured party, of * * * collateral other than tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Except as otherwise provided in Sections 75-9-320 and 75-9-321, if a person files a financing statement with respect to a purchase-money security interest before or within twenty (20) days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.

SECTION 9. Section 75-9-326, Mississippi Code of 1972, is amended as follows:

75-9-326. (a) Subject to subsection (b), a security interest that is created by a new debtor * * * in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that * * * would be ineffective to perfect the security interest but for the application of Section 75-9-316(i)(1) or 75-9-508 is subordinate to a security interest in the same collateral which is perfected other than by such a filed financing statement * * *.

(b) The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements * * * described in subsection (a). However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

SECTION 10. Section 75-9-406, Mississippi Code of 1972, is amended as follows:

75-9-406. (a) Subject to subsections (b) through (i), an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account

debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) Subject to subsection (h), notification is ineffective under subsection (a):

(1) If it does not reasonably identify the rights assigned;

(2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(A) Only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

(B) A portion has been assigned to another assignee; or

(C) The account debtor knows that the assignment to that assignee is limited.

(c) Subject to subsection (h), if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the

assignor, even if the account debtor has received a notification under subsection (a).

(d) Except as otherwise provided in subsection (e) and Sections 75-2A-303 and 75-9-407, and subject to subsection (h), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Subsection (d) does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under Section 75-9-610 or an acceptance of collateral under Section 75-9-620.

(f) Except as otherwise provided in Sections 75-2A-303 and 75-9-407 and subject to subsections (h) and (i), a rule of law, statute or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account

debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subject to subsection (h), an account debtor may not waive or vary its option under subsection (b)(3).

(h) This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) This section does not apply to an assignment of a health-care-insurance receivable.

(j) This section prevails over any inconsistent provision of an existing or future statute, rule or regulation of this state unless the provision is contained in a statute of this state,

refers expressly to this section, and states that the provision prevails over this section.

SECTION 11. Section 75-9-408, Mississippi Code of 1972, is amended as follows:

75-9-408. (a) Except as otherwise provided in subsection (b), a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the extent that the term:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(b) Subsection (a) applies to a security interest in a payment intangible or promissory note only if the security

interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a disposition under Section 75-9-610 or an acceptance of collateral under Section 75-9-620.

(c) A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(d) To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) would

be effective under law other than this article but is ineffective under subsection (a) or (c), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(1) Is not enforceable against the person obligated on the promissory note or the account debtor;

(2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) This section prevails over any inconsistent provision of an existing or future statute, rule or regulation of this state unless the provision is contained in a statute of this state, refers expressly to this section, and states that the provision prevails over this section.

SECTION 12. Section 75-9-502, Mississippi Code of 1972, is amended as follows:

75-9-502. (a) Subject to subsection (b), a financing statement is sufficient only if it:

- (1) Provides the name of the debtor;
- (2) Provides the name of the secured party or a representative of the secured party; and
- (3) Indicates the collateral covered by the financing statement.

(b) Except as otherwise provided in Section 75-9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) and also:

- (1) Indicate that it covers this type of collateral;
- (2) Indicate that it is to be filed for record in the real property records;
- (3) Provide a description of the real property to which the collateral is related sufficient to give constructive notice

of a mortgage under the law of this state if the description were contained in a record of the mortgage of the real property; and

(4) If the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) The record indicates the goods or accounts that it covers;

(2) The goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) The record satisfies the requirements for a financing statement in this section * * *, but:

(A) The record need not indicate * * * that it is to be filed in the real property records; and

(B) The record sufficiently provides the name of the debtor who is an individual if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom Section 75-9-503(a)(4) applies; and

(4) The record is duly recorded.

(d) A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

SECTION 13. Section 75-9-503, Mississippi Code of 1972, is amended as follows:

75-9-503. (a) A financing statement sufficiently provides the name of the debtor:

(1) Except as otherwise provided in paragraph (3), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name * * * that is stated to be the registered organization's name on the public organic record * * * most recently filed with or issued or enacted by the * * * registered organization's jurisdiction of organization which * * * purports to state, amend or restate the registered organization's name;

(2) Subject to subsection (f) if the * * * collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that * * * collateral is being administered by a personal representative;

(3) If the * * * collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) * * * Provides, as the name of the debtor:

(i) If the organic record of the trust specifies a name for the trust, the name specified; or

(ii) If the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(B) * * * In a separate part of the financing statement:

(i) If the name is provided in accordance with subparagraph (A) (i), indicates that the collateral is held in a trust; or

(ii) If the name is provided in accordance with subparagraph (A) (ii), provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;

(4) * * * Subject to subsection (g), if the debtor is an individual to whom this state has issued a driver's license or nondriver's identification card that has not expired, only if the financing statement provides the name of the individual which is indicated on the driver's license or nondriver's identification card;

(5) If the debtor is an individual to whom paragraph (4) does not apply, only if the financing statement provides the

individual name of the debtor or the surname and first personal name of the debtor; and

(* * *6) In other cases:

(A) If the debtor has a name, only if * * * the financing statement provides the * * * organizational name of the debtor; and

(B) If the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(b) A financing statement that provides the name of the debtor in accordance with subsection (a) is not rendered ineffective by the absence of:

(1) A trade name or other name of the debtor; or

(2) Unless required under subsection (a)(4)(B), names of partners, members, associates, or other persons comprising the debtor.

(c) A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) A financing statement may provide the name of more than one (1) debtor and the name of more than one (1) secured party.

(f) The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the "name of the decedent" under subsection (a) (2).

(g) If this state has issued to an individual more than one (1) driver's license or nondriver's identification card of a kind described in subsection (a) (4), the one that was issued most recently is the one to which subsection (a) (4) refers.

(h) In this section, the "name of the settlor or testator" means:

(1) If the settlor is a registered organization, the name that is stated to be the settlor's name on the public organic record most recently filed with or issued or enacted by the settlor's jurisdiction of organization which purports to state, amend, or restate the settlor's name; or

(2) In other cases, the name of the settlor or testator indicated in the trust's organic record.

SECTION 14. Section 75-9-507, Mississippi Code of 1972, is amended as follows:

75-9-507. (a) A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Except as otherwise provided in subsection (c) and Section 75-9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under Section 75-9-506.

(c) If * * * the name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under Section 75-9-503(a) so that the financing statement becomes seriously misleading under Section 75-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four (4) months after, the * * * filed financing statement becomes seriously misleading; and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four (4) months after the * * * filed financing statement becomes seriously misleading, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four (4) months after the * * * financing statement becomes seriously misleading.

SECTION 15. Section 75-9-515, Mississippi Code of 1972, is amended as follows:

75-9-515. (a) Except as otherwise provided in subsections (b), (e), (f), and (g), a filed financing statement is effective for a period of five (5) years after the date of filing.

(b) Except as otherwise provided in subsections (e), (f), and (g), an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of thirty (30) years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d). Upon lapse a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) A continuation statement may be filed only within six (6) months before the expiration of the five-year period specified in subsection (a) or the thirty-year period specified in subsection (b), whichever is applicable.

(e) Except as otherwise provided in Section 75-9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five (5) years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the

expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c), unless, before the lapse, another continuation statement is filed pursuant to subsection (d). Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) If a debtor is a transmitting utility and a filed initial financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) A record of a mortgage that is effective as a financing statement filed as a fixture filing under Section 75-9-502(c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

SECTION 16. Section 75-9-516, Mississippi Code of 1972, is amended as follows:

75-9-516. (a) Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

(A) In the case of an initial financing statement, the record does not provide a name for the debtor;

(B) In the case of an amendment or * * * information statement, the record:

(i) Does not identify the initial financing statement as required by Section 75-9-512 or 75-9-518, as applicable; or

(ii) Identifies an initial financing statement whose effectiveness has lapsed under Section 75-9-515;

(C) In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's * * * surname; or

(D) In the case of a record filed * * * in the filing office described in Section 75-9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not

provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) Provide a mailing address for the debtor; or

(B) Indicate whether the name provided as the name of the debtor is the name of an individual or an organization; * * *

* * *

(6) In the case of an assignment reflected in an initial financing statement under Section 75-9-514(a) or an amendment filed under Section 75-9-514(b), the record does not provide a name and mailing address for the assignee; or

(7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by Section 75-9-515(d).

(c) For purposes of subsection (b):

(1) A record does not provide information if the filing office is unable to read or decipher the information; and

(2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by Section 75-9-512, 75-9-514 or 75-9-518, is an initial financing statement.

(d) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

SECTION 17. Section 75-9-518, Mississippi Code of 1972, is amended as follows:

75-9-518. (a) A person may file in the filing office * * * an information statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) * * * An information statement under subsection (a) must:

(1) Identify the record to which it relates by:

(A) The file number assigned to the initial financing statement to which the record relates; and

(B) If the * * * information statement relates to a record filed for record in a filing office described in Section 75-9-501(a)(1), the date that the initial financing statement was filed for record and the information specified in Section 75-9-502(b);

(2) Indicate that it is * * * an information statement;

and

(3) Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) A person may file in the filing office an information statement with respect to a record filed there if the person is a secured party of record with respect to the financing statement to which the record relates and believes that the person that filed the record was not entitled to do so under Section 75-9-509(d).

(d) An information statement under subsection (c) must:

(1) Identify the record to which it relates by:

(A) The file number assigned to the initial financing statement to which the record relates; and

(B) If the information statement relates to a record filed in a filing office described in Section 75-9-501(a)(1), the date and time that the initial financing statement was filed and the information specified in Section 75-9-502(b);

(2) Indicate that it is an information statement; and

(3) Provide the basis for the person's belief that the person that filed the record was not entitled to do so under Section 75-9-509(d).

(* * *e) The filing of * * * an information statement does not affect the effectiveness of an initial financing statement or other filed record.

SECTION 18. Section 75-9-521, Mississippi Code of 1972, is amended as follows:

75-9-521. (a) A filing office that accepts written records may not refuse to accept a written initial financing statement in the form and format set forth in the * * * official text of the * * * 2010 amendments to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in Section 75-9-516(b).

(b) A filing office that accepts written records may not refuse to accept a written record in the form and format set forth in the * * * official text of the * * * 2010 amendments to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in Section 75-9-516(b).

SECTION 19. Section 75-9-607, Mississippi Code of 1972, is amended as follows:

75-9-607. (a) If so agreed, and in any event after default, a secured party:

(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(2) May take any proceeds to which the secured party is entitled under Section 75-9-315;

(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor, and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) If it holds a security interest in a deposit account perfected by control under Section 75-9-104(a)(1), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) If it holds a security interest in a deposit account perfected by control under Section 75-9-104(a)(2) or (3), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(b) If necessary to enable a secured party to exercise under subsection (a)(3) the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) The secured party's sworn affidavit in recordable form stating that:

(A) A default has occurred with respect to the obligation secured by the mortgage; and

(B) The secured party is entitled to enforce the mortgage nonjudicially.

(c) A secured party shall proceed in a commercially reasonable manner if the secured party:

(1) Undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and

(2) Is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) A secured party may deduct from the collections made pursuant to subsection (c) reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(e) This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.

SECTION 20. The following shall be codified as Section 75-9-801, Mississippi Code of 1972:

75-9-801. **Effective date.** This act takes effect on July 1, 2013.

SECTION 21. The following shall be codified as Section 75-9-802, Mississippi Code of 1972:

75-9-802. **Savings clause.** (a) Except as otherwise provided in this part, this act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before this act takes effect.

(b) This act does not affect an action, case, or proceeding commenced before this act takes effect.

SECTION 22. The following shall be codified as Section 75-9-803, Mississippi Code of 1972:

75-9-803. **Security interest perfected before effective date.** (a) A security interest that is a perfected security interest immediately before this act takes effect is a perfected security interest under Article 9 as amended by this act if, when this act takes effect, the applicable requirements for attachment and perfection under Article 9 as amended by this act are satisfied without further action.

(b) Except as otherwise provided in Section 75-9-805, if, immediately before this act takes effect, a security interest is a perfected security interest, but the applicable requirements for perfection under Article 9 as amended by this act are not satisfied when this act takes effect, the security interest remains perfected thereafter only if the applicable requirements for perfection under Article 9 as amended by this act are satisfied within one (1) year after this act takes effect.

SECTION 23. The following shall be codified as Section 75-9-804, Mississippi Code of 1972:

75-9-804. **Security interest unperfected before effective date.** A security interest that is an unperfected security interest immediately before this act takes effect becomes a perfected security interest:

(1) Without further action, when this act takes effect if the applicable requirements for perfection under Article 9 as amended by this act are satisfied before or at that time; or

(2) When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

SECTION 24. The following shall be codified as Section 75-9-805, Mississippi Code of 1972:

75-9-805. **Effectiveness of action taken before effective date.** (a) The filing of a financing statement before this act takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under Article 9 as amended by this act.

(b) This act does not render ineffective an effective financing statement that, before this act takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Article 9 as it existed before amendment. However, except as otherwise provided in subsections (c) and (d) and Section 75-9-806, the financing statement ceases to be effective:

(1) If the financing statement is filed in this state, at the time the financing statement would have ceased to be effective had this act not taken effect; or

(2) If the financing statement is filed in another jurisdiction, at the earlier of:

(A) The time the financing statement would have ceased to be effective under the law of that jurisdiction; or

(B) June 30, 2018.

(c) The filing of a continuation statement after this act takes effect does not continue the effectiveness of the financing statement filed before this act takes effect. However, upon the timely filing of a continuation statement after this act takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Article 9 as amended by this act, the effectiveness of a financing statement filed in the same office in that jurisdiction before this act takes effect continues for the period provided by the law of that jurisdiction.

(d) Subsection (b)(2)(B) applies to a financing statement that, before this act takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Article 9 as it existed before amendment, only to the extent that Article 9 as amended by this act provides that the law of a jurisdiction other than the jurisdiction in which the

financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(e) A financing statement that includes a financing statement filed before this act takes effect and a continuation statement filed after this act takes effect is effective only to the extent that it satisfies the requirements of Part 5 as amended by this act for an initial financing statement. A financing statement that indicates that the debtor is a decedent's estate indicates that the collateral is being administered by a personal representative within the meaning of Section 75-9-503(a)(2) as amended by this act. A financing statement that indicates that the debtor is a trust or is a trustee acting with respect to property held in trust indicates that the collateral is held in a trust within the meaning of Section 75-9-503(a)(3) as amended by this act.

SECTION 25. The following shall be codified as Section 75-9-806, Mississippi Code of 1972:

75-9-806. **When initial financing statement suffices to continue effectiveness of financing statement.** (a) The filing of an initial financing statement in the office specified in Section 75-9-501 continues the effectiveness of a financing statement filed before this act takes effect if:

(1) The filing of an initial financing statement in that office would be effective to perfect a security interest under Article 9 as amended by this act;

(2) The pre-effective-date financing statement was filed in an office in another state; and

(3) The initial financing statement satisfies subsection (c).

(b) The filing of an initial financing statement under subsection (a) continues the effectiveness of the pre-effective-date financing statement:

(1) If the initial financing statement is filed before this act takes effect, for the period provided in unamended Section 75-9-515 with respect to an initial financing statement; and

(2) If the initial financing statement is filed after this act takes effect, for the period provided in Section 75-9-515 as amended by this act with respect to an initial financing statement.

(c) To be effective for purposes of subsection (a), an initial financing statement must:

(1) Satisfy the requirements of Part 5 as amended by this act for an initial financing statement;

(2) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) Indicate that the pre-effective-date financing statement remains effective.

SECTION 26. The following shall be codified as Section 75-9-807, Mississippi Code of 1972:

75-9-807. **Amendment of pre-effective-date financing statement.** (a) In this section, "pre-effective-date financing statement" means a financing statement filed before this act takes effect.

(b) After this act takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Article 9 as amended by this act. However, the effectiveness of a pre-effective-date financing statement may also be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Except as otherwise provided in subsection (d), if the law of this state governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after this act takes effect only if:

(1) The pre-effective-date financing statement and an amendment are filed in the office specified in Section 75-9-501;

(2) An amendment is filed in the office specified in Section 75-9-501 concurrently with, or after the filing in that

office of, an initial financing statement that satisfies Section 75-9-806(c); or

(3) An initial financing statement that provides the information as amended and satisfies Section 75-9-806(c) is filed in the office specified in Section 75-9-501.

(d) If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under Section 75-9-805(c) and (e) or 75-9-806.

(e) Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this state may be terminated after this act takes effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies Section 75-9-806(c) has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Article 9 as amended by this act as the office in which to file a financing statement.

SECTION 27. The following shall be codified as Section 75-9-808, Mississippi Code of 1972:

75-9-808. Person entitled to file initial financing statement or continuation statement. A person may file an initial financing statement or a continuation statement under this part if:

(1) The secured party of record authorizes the filing;
and

(2) The filing is necessary under this part:

(A) To continue the effectiveness of a financing statement filed before this act takes effect; or

(B) To perfect or continue the perfection of a security interest.

SECTION 28. The following shall be codified as Section 75-9-809, Mississippi Code of 1972:

75-9-809. **Priority.** This act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this act takes effect, Article 9 as it existed before amendment determines priority.

SECTION 29. Section 75-2A-103, Mississippi Code of 1972, is amended as follows:

75-2A-103. (1) In this chapter unless the context otherwise requires:

(a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured

credit and includes acquiring goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.

(d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family or household purpose, if the total payments to be made under the lease contract, excluding payments for options to renew or buy, do not exceed Twenty-five Thousand Dollars (\$25,000.00).

(f) "Fault" means wrongful act, omission, breach or default.

(g) "Finance lease" means a lease with respect to which:

(i) The lessor does not select, manufacture, or supply the goods;

(ii) The lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and

(iii) One (1) of the following occurs:

(A) The lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) The lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the

lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (Section 75-2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a

sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of selling or

leasing goods of that kind but does not include a pawnbroker.

"Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes acquiring goods or documents of title under a preexisting lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into;

otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

(y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

(z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the lease contract otherwise than for default.
