SENATE BILL NO. 2659

AN ACT TO ESTABLISH A MISSISSIPPI COMMUNITY ORIENTED POLICING SERVICES IN SCHOOLS (MCOPS) GRANT PROGRAM IN THE STATE DEPARTMENT OF EDUCATION TO ASSIST LAW ENFORCEMENT AGENCIES IN PROVIDING ADDITIONAL SCHOOL RESOURCE OFFICERS TO ENGAGE IN COMMUNITY POLICING IN AND AROUND PRIMARY AND SECONDARY SCHOOLS; TO PRESCRIBE REQUIREMENTS AND STANDARDS FOR THE PROGRAM; TO AUTHORIZE THE LOCAL SCHOOL BOARD OF PUBLIC SCHOOL DISTRICTS, WHICH ARE UNABLE TO MEET THE FINANCIAL REQUIREMENTS FOR PARTICIPATION IN THE MCOPS PROGRAM, TO DEVELOP A PLAN FOR THE SECURITY OF ITS STUDENTS, FACULTY AND ADMINISTRATION, WHICH MUST BE APPROVED BY THE STATE BOARD OF EDUCATION AND THE MISSISSIPPI DEPARTMENT OF PUBLIC SAFETY, AND TO PROVIDE THAT THE SCHOOL BOARD MAY APPLY FOR GRANTS UNDER THE MCOPS PROGRAM FOR TRAINING OF SECURITY PERSONNEL EMPLOYED BY THE SCHOOL DISTRICT; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

**SECTION 1.** (1) There is hereby established the Mississippi Community Oriented Policing Services in Schools (MCOPS) grant program in the State Department of Education to provide funding, pursuant to specific appropriation by the Legislature therefor, to assist law enforcement agencies in providing additional School Resource Officers to engage in community policing in and around primary and secondary schools. The MCOPS program shall authorize the State Department of Education to make grants to increase

deployment of law enforcement officers in order (a) to increase or enhance community policing in this state, (b) that trained, sworn enforcement officers assigned to schools play an integral part in the development and/or enhancement of a comprehensive school safety plan, and (c) that the presence of these officers shall provide schools with a direct link to local law enforcement agencies.

(2) The MCOPS program shall meet the following requirements and standards:

(a) This program shall provide an incentive for law enforcement agencies to build collaborative partnerships with the school community and to use community policing efforts to combat school violence and implement educational programs to improve student and school safety.

(b) The additional School Resource Officers must devote at least seventy-five percent (75%) of their time to work in and around primary and secondary schools, in addition to the time that School Resource Officers are devoting in the absence of the MCOPS in Schools grant.

(c) The MCOPS in Schools program shall provide a maximum state contribution of up to Ten Thousand Dollars (\$10,000.00) per officer position over the one-year grant period, to be matched from local funds on a 50/50 matching basis. Officers paid with MCOPS funds may be employed by the local law enforcement agency or by the local school district. MCOPS funds

may be used to pay for entry-level salaries and benefits of newly trained additional School Resource Officers and may be used to pay the salaries and benefits of School Resource Officers employed prior to July 1, 2013. All jurisdictions that apply must demonstrate that they have primary law enforcement authority over the school(s) identified in their application and demonstrate their inability to implement this project without state assistance. Schools or law enforcement agencies may not reduce its overall federal, state, locally funded level of sworn officers (including other School Resource Officers or other sworn officers assigned to the schools) as a result of applying for or receiving MCOPS in Schools grant funding. MCOPS in Schools funding may be used to rehire sworn officers previously employed who have been laid off for financial reasons unrelated to the availability of the MCOPS in Schools grant, but must obtain prior written approval from the State Department of Education.

(f) School Resource Officers (SROs) may serve in a variety of roles, including, but not limited to, that of a law enforcement officer/safety specialist, law-related educator, and problem-solver/community liaison. These officers may teach programs such as crime prevention, substance abuse prevention, and gang resistance as well as monitor and assist troubled students through mentoring programs. The School Resource Officer(s) may also identify physical changes in the environment that may reduce

crime in and around the schools, as well as assist in developing school policies which address criminal activity and school safety. The application must also include a Memorandum of Understanding (MOU), signed by the law enforcement executive and the appropriate school official(s), to document the roles and responsibilities to be undertaken by the law enforcement agency and the educational school partner(s) through this collaborative effort. The application must also include a Narrative Addendum to document that the School Resource Officer(s) will be assigned to work in and around primary or secondary schools and provide supporting documentation in the following areas: problem identification and justification, community policing strategies to be used by the officers, quality and level of commitment to the effort, and the link to community policing.

(g) All agencies receiving awards through the MCOPS in Schools program are required to send the School Resource Officer position(s) funded by this grant, to the Mississippi Law Enforcement Officers' Training Academy where they shall be required to participate in training through the Advanced Law Enforcement Rapid Response Training Program at the academy, with the cost to be defrayed from the MCOPS program. The MCOPS Office of the State Department of Education will reimburse grantees for training, per diem, travel, and lodging costs for attendance of required participants up to a maximum of One Thousand Two Hundred Dollars (\$1,200.00) per person attending. Applicants receiving an

MCOPS in Schools grant, will receive additional training information following notification of the grant award. The MCOPS in Schools training requirement must be completed prior to the end of twelve-month grant funding for officer positions.

(3) The State Department of Education shall promulgate rules and regulations prescribing procedures for the application, expenditure requirements and the administration of the Mississippi Community Oriented Policing Services in Schools (MCOPS) program established in this section, and shall make a report on the implementation of the MCOPS program with any recommendations to the 2014 Regular Session of the Legislature.

**SECTION 2.** In the event that a public school district is unable to participate in the MCOPS program due to the district's inability to meet the necessary financial requirements of the local fund match, the local school board of that school district may develop a plan for the security of its students, faculty and administration, which must be approved by the State Board of Education and the Mississippi Department of Public Safety prior to its implementation. The local school board may still apply for grants under the MCOPS program for training of security personnel employed by the school district.

**SECTION 3.** This act shall take effect and be in force from and after July 1, 2013.
