Dear Friends:

Thank you for your support to place an Internet-accessible computer in every public classroom in Mississippi. We look forward to becoming the first state in the nation to provide this technology for students.

We are completing the first phase of this project by placing more than 6,325 computers in Mississippi classrooms. Education is at the forefront of my vision for an ever-improving Mississippi, and improving the access to today's technology is paramount to preparing our children for tomorrow.

Thank you for joining our quest to bring the world to our children's classroom learning experience. If I may be of assistance, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE

Brooksville, Mississippi 39739

Dear Friends:

Thank you for your support to place an Internet-accessible computer in every public classroom in Mississippi. We look forward to becoming the first state in the nation to provide this technology for students.

We are completing the first phase of this project by placing more than 6,325 computers in Mississippi classrooms. Education is at the forefront of my vision for an ever-improving Mississippi, and improving the access to today's technology is paramount to preparing our children for tomorrow.

Thank you for joining our quest to bring the world to our children's classroom learning experience. If I may be of assistance, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE
