

Suggested statement regarding Nissan letter / Sid Salter:

Question #1: “While I appreciate their concern, to limit our potential growth in this way would severely hamper our economic development efforts for the people of our state.”

Question #2: “Absolutely not. I work hard every day to bring high-quality, good-paying jobs to our state. When a company expresses an interest in Mississippi, we show them the entire state. The decision of whether or not to locate, and where to locate, is made by the company.”
