

Dear

Please join me in welcoming Dr. Henry L. Johnson, our new State Superintendent of Education, to Mississippi. Dr. Johnson brings more than 30 years of professional education experience to our state. He is currently a member of the Southern Regional Education Board, a leader in education and economic development. I have been honored to serve with Dr. Johnson as a member of this board.

You are invited to join me at a reception to welcome Dr. Johnson on August 1, 2002 from 6:30 – 8:30 p.m. Join us at the Governor's Mansion at 300 East Capitol Street. Please contact Cora Gee at 601-359-6420 if you are able to attend.

Education is a top priority for my administration. I look forward to working with you and Dr. Johnson to ensure a quality education for Mississippi's greatest resource, our children. Together we can set unprecedented goals and achieve unparalleled progress.
