

Welcome to the Black Business Directory of North Mississippi.

The perception of Mississippi is changing. The old question of “Why Mississippi?” doesn’t get asked anymore. The question now is, “Why *not* Mississippi?”

And the answer is, because we can compete with anyone, anytime, anywhere.

The role of minority contractors in raising our level of competitiveness is unquestioned. Across the state, these businessmen and women are part of the economic development of Mississippi and the attraction of quality jobs for the people of the state.

Together, we’re committed to building Mississippi and making sure it achieves its promise and potential.
