

MEMORANDUM

April 14, 2003

TO: Governor

FROM: John

RE: MS Blues Highway Association

The MS Blues Highway Association is holding a meeting in Clarksdale, and wanted you to stop by and say a few words about the state's support of the blues and the Year of the Blues proclamation. Some of the people at this meeting were at the Mansion in February for the Year of the Blues press conference – Luther Brown, Barry Bays, Jef Judin. This should be a pretty informal gathering.
