

**MEMORANDUM**

June 19, 2002

TO: Governor  
FROM: John  
RE: Supervisors Association

Remarks for the event are attached. You will be introduced by Summer Davis. A copy of the agenda is attached.

They mentioned on the event sheet their interest in anything you had to share regarding the public defenders system. I spoke with Peyton and Bill on this, and their feeling was that it was best left alone.

There may be some time made available for questions at the end of your remarks.
