RE: Mental Health Summit, 6/27/02

CC: Richard

The audience for this summit will be primary care and mental health care professionals from around the state. There will be some government people from Atlanta. You will be introduced by Dr. Randy Hendrix.

Following your remarks, the keynote speaker will be Dr. Donald Vereen, Special Assistant for Medical Affairs, National Institute on Drug Abuse, National Institutes of Health.

FYI – At 10:15 that morning, there will be a panel discussion on policy issues including workforce, infrastructure, transportation and reimbursement. Dr. Paul Deal from Ole Miss will moderate the panel. Panel members will include Bobby Moody, Bunky Huggins, Jim Barnett, Billy Thames and Willie Simmons.
