TO: Governor

FROM: John

RE: "Operation About Face" video taping

CC: Richard

The videotaping will take place at NWN Studios. The segment will be no longer than 30 seconds, and you will be reading from a teleprompter. I understand you have an "About Face" pullover or shirt; you may want to consider wearing it for the taping. In Florida's version of the tape, Bush wore an "About Face" jacket and it looked good.
