

**MEMORANDUM**

December 5, 2002

TO: Governor

FROM: John

RE: Mississippi Association of School Superintendents, Vicksburg

This is MASS' Legislative Conference. The theme is "United for Children."

You will be introduced by Thomas Prine, superintendent in Jones County (Prine will also discuss the 2003 legislative agenda after your remarks). Phil Bryant is scheduled to speak just before you.

General Berry called yesterday and said this would be a great crowd to thank for their support in letting the Guard work with students.

I also worked in the story about the mother getting her son out of bed (see attached copy of 11/25 memo).
