

**MEMORANDUM**

December 2, 2002

TO: Governor

FROM: John

RE: WIN Mobile Job Center press conference

Your remarks and some background information for this press conference are attached. The original plan was for you to drive the vehicle to the site for the press conference, but that has been changed – the vehicle will be in place and you will be able to tour it after your remarks.

The MDA communications representative at the site will be Sean Burguet. His cell number is 826-4737.
