

MEMORANDUM

February 27, 2003

TO: Governor

FROM: John

RE: Tougaloo College 15th Annual Business Luncheon

You are scheduled to bring opening remarks to this event, along with Mayor Johnson and Leroy Walker. The attached remarks continue to hammer home the message of education and jobs, and this will be a good audience for that message (about 300 people expected to attend).

Copies of the program and the bio on the keynote speaker are attached.
