

## **MEMORANDUM**

June 4, 2003

TO: Governor

FROM: John

RE: Housing Summit at Mississippi Valley State University

Remarks are attached. You will be introduced by President Lester C. Newman. The audience will include small town mayors and county supervisors. Remarks stay on message with education and jobs, and include information at the end on work being done through MDA. A copy of the proclamation of June as "Home Ownership Month" is included at the end; you can just read these without presenting a proclamation to anyone.
