CC: Renick, Lee Ann

On Monday, October 28<sup>th</sup>, you have time early in the day blocked out for travel in north Mississippi. One of the tentative events is the announcement of a new unit of the MS National Guard, the 1682<sup>nd</sup> Transportation Company. The unit will serve as heavy fuel haulers, and will have about 160 soldiers.

Rep. Wanda Jennings has expressed an interest in being involved in this event. She has offered to General Berry that she would like to help with the location and introduce Adjutant General Lipscomb, and General Berry wanted to make sure this was all right with you.

Are you comfortable with Rep. Jennings being involved in this event? \_\_\_ Yes \_\_\_ No
