

**MEMORANDUM**

May 20, 2002

TO: Governor

FROM: John

RE: "Celebration on the Hill" Bus Stop

This is an event put on by the American Cancer Society. They have a bus that left New York in March, and is traveling around the country to create awareness about cancer. The bus is a "rolling petition" for Congress; you will have an opportunity to sign the side of the bus, which will arrive in Washington for a "Celebration on the Hill" on September 19.

You will be introduced by Steve Castille, a board member with the American Cancer Society. Tuck and May Whittington are also scheduled to speak.
