RE: Good Government Kickoff Event

All employees at River Oaks Hospital are invited to this event. You will have about 10-15 minutes to talk about the importance of voting and the role that everyday people can play in shaping government. You will be introduced by Jack Cleary, President & CEO of River Oaks.

This event is held by the River Oaks Health Systems Good Government Group, which is a branch of a Health Management Associates PAC. This PAC is new, and gave you \$1,000 on 11/19/01. They also gave Tim Ford the same amount on the same date.

Other speakers at this event include Eric Clark (speaking after you), and Marshall Bennett (speaking at 2pm). The mayors of Flowood, Pearl and Brandon will also be taking part at different times.
