

MEMORANDUM

February 12, 2002

TO: Governor
FROM: John
RE: Chinese delegation

I received calls recently from Sandy McNeal and Dr. Colin Harbinson, Dean of Fine Arts at Belhaven College. He is hosting a delegation of Chinese educators here in town from the Yunnan Province through February 21 (see attached list). There has also been correspondence about economic development between this office and the Vice Governor of the province (see attached letters).

The nine members of the delegation will be attending the 2p.m. ceremony for the Arts Awards at the Old Capitol. Dr. Harbinson has asked about the possibility of them stopping by for a quick photo. I have spoken with Phillip and Lee Ann about this, and they thought it could be good.

Can we give them about five minutes Friday morning, between the 10am press conference and the 11am Capitol press briefing?

Yes _____ No _____
