

MEMORANDUM

November 21, 2002

TO: Governor

FROM: John

RE: WIN Center Press Conference, Greenwood

You will be presenting a grant check for a WIA initiative at this event. As of this writing, it still was undecided who would actually receive the check, but it may be representatives of the three partners in the grant proposal – Mississippi Valley State University, Alcorn State University, and Mississippi Action for Community Education.

NOTE: We did a fly-around on August 20, 2001, to open WIN Centers around the state. We were scheduled to open this center in Greenwood, but were unable to land that day due to bad weather. Your remarks make reference to this.
