

MEMORANDUM

November 21, 2002

TO: Governor

FROM: John

RE: Call to Dwayne Doty, PRM (432-6283)

CC: Lee Ann

Dwayne is working on a story that will start running tomorrow about your veto of the banking bill. This is a good opportunity to back up your position and that of the positive editorials regarding your veto.

- *The people of Mississippi work too hard for their money.*
- *This bill would protect those who make their money off those Mississippians who can least afford to lose money.*
- *I'm not going to give those kind of people protection from the consequences of their own actions.*
- *I'll sign a bill that doesn't legitimize fraud.*
- *I'll sign a bill that doesn't create two different justice systems, one for the rich and one for the poor.*
- *Mistakes are one thing, scams are another.*
- *The good guys don't need it, and the bad guys don't deserve it.*
