

MEMORANDUM

May 5, 2003

TO: Governor

FROM: John

RE: GED / Senior Service America event

The attached page provides some information on the Senior Service America program. You are scheduled to make some brief remarks, then present a plaque to Mrs. Louise Sinclair (they will have the plaque there for you). The remarks are a combination of bullets and text – the text part is more of a narrative of Mrs. Sinclair's story.
