

MEMORANDUM

May 15, 2003

TO: Governor

FROM: John

RE: Draft of Nissan remarks

Attached is a first draft of the remarks for the Nissan opening. I'm sharing a copy with Phillip and Lee Ann for their review as well. As you know, you have three minutes to speak. This draft comes out to 292 words, but there should be room to expand it; as I read it, it comes out to about two minutes.
